## A REMARKABLE STATEMENT

Mrs. Sheldon Spent \$1900 for Treatment Without Benefit. Finally Made Well by Lydia E. Pinkham's Vegetable Compound.

Englewood, Ill. — "While going through the Change of Life I suffered with headaches, nervousness, flashes of heat, and I suffered so much I did not know what I was doing at times. I spent \$1900 on doctors and not one did me any good. One day a lady called at my house and said she had been as sick as I was at one time, and Lydia E. Pinkham's Vegetable Compound made her well, so I took it and now I am just as well as I ever was. I cannot understand why women don't see how much pain and suffering they would escape by taking your medicine. I cannot praise it enough for it saved my life and kept me from the Insane Hospital."—Mrs. E. Sheldon, 6657 S. Halsted St., Englewood, Ill.

Physicians undoubtedly do their best, but with this case steadily an could do no more, but often the most scientific treatment is surpassed by the medicinal properties of the good old fashioned roots and herbs contained in Lydia E. ## The Shadow of Broken Health

Can be Quickly Dispelled Through the Use of Dr. Williams' Pink Pills.

When the shadow of poor health follows your life; when hope begins to fade and friends look serious, then is the time you should remember that thousands just as hopeless have been cured and restored to the sunshine of health by the use of Dr. Williams' Pink Pills. These pills actually make new, rich blood which brings a glow of health to anaemic cheeks; cures indigestion, headaches and backaches, drives out the stinging pains of heart-rates and restores the strength of the nerves and relieves as no other medicine can do the aches and pains from which womenfolk alone suffer in any emergency of poor health. Dr. Williams' Pink Pills a fair trial and they will not disappoint you. Here is a case that will bring hope to many a weary sufferer. Mrs. E. C. Taylor, A-cot Ave., Toronto, says: "A few years ago I was so run down with anaemia that I could scarcely walk about the house, and was not able to leave it. I had no color; my appetite was poor and I was constantly troubled with headaches, dizzy spells and general disinclination to move about or do anything. I tried many medicines but none of them helped me, and my friends thought I was in a delicate case. One day a friend who was in to see me asked if I had tried Dr. Williams' Pink Pills. I had heard of this medicine often, but had not used it, so I determined to give it a trial. I certainly got a pleasant surprise, for after using two boxes I could feel an improvement in my condition. Continuing the use of these pills I began to regain my health, the headaches and dizzy spells were disappearing, and I began to gain in weight. People began enquiring what I was taking and I was not slow to give Dr. Williams' Pink Pills my credit. I took the pills for less than two months, and completely regained my old time health and strength. I hope my experience may convince some doubtful person as to the great merit of Dr. Williams' Pink Pills, as I certainly have cause to be a firm champion of them."

You can get these pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams Medicine Co., Brockville, Ont.

The two girls were walking along a suburban avenue, talking about their best young man, of course. At least one of them was.

"Charlie was up to see me last night," she said.

"That's twice in a week, isn't it?" inquired the other.

"Yes." And she blushed and giggled.

"I suppose he'll come three times in the next week."

"I suppose so."

"And four times the next?"

"That's what brother says."

"And five times the next?"

"That's what sister says."

"And six times the next?"

"That's what auntie says."

"And seven times the next?"

"That's what papa says."

"And then what?"

"Then we'll get married; that's what everybody says."

"And then what?"

"Then I won't see him any more of an evening; that's what mamma says."
