

MOTHERS TO BE

Should Read Mrs. Monahan's Letter Published by Her Permission.

Mitchell, Ind.—"Lydia E. Pinkham's Vegetable Compound helped me so much during the time I was looking forward to the coming of my little one that I am recommending it to other expectant mothers. Before taking it, some days I suffered with neuralgia so badly that I thought I could not live, but after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely relieved of neuralgia. I had gained in strength and was able to go around and do all my housework. My baby when seven months old weighed 19 pounds and I feel better than I have for a long time. I never had any medicine do me so much good."—Mrs. PEARL MONAHAN, Mitchell, Ind.

Good health during maternity is a most important factor to both mother and child, and many letters have been received by the Lydia E. Pinkham Medicine Co., Lynn, Mass., telling of health restored during this trying period by the use of Lydia E. Pinkham's Vegetable Compound.

Dear Mother—

I am keeping well, have good food and well protected from the weather, but have some difficulty keeping uninvited guests from visiting me.

Have you any patriotic druggists that would give something for a gift overseas—if so do you know something that is good for everything? I do—Old MINARD'S Liniment.

Army put Canada

On French Map

That business-men in France are turning their attention to Canada as a source of supply more than before the war is emphasized in the information reaching the Canadian Trade Commission. It appears that the participation of Canadian troops, many of them with a knowledge of French, has stimulated interest, and has been so to speak, an advertising source for Dominion trade. A typical instance is quoted by the Commissioner General for Canada in France, who in describing the requirements of an importing house says:—"I sincerely believe that much sentiment exists here in France from the many interviews I have had and continue to have with men of all sorts—business, commercial and professional. I believe that the sentiment exists that purchases would be much preferable

BEAVER FLOUR
Both Ways

Make up a batch of Bread and Rolls with it. Then bake a Pie and Cake.

Notice the fine, even texture—the absence of holes—the delicate, nutlike flavor, of the Bread.

Then consider the lightness and flakiness of the Pastry. You'll never go back to the coarse, almost tasteless western wheat flours, after once enjoying the flavor of the good things made with Beaver Flour.

Hon. Walter Scott Locked Up

Mahonmen, Minn., July 29.—At Pembina North Dakota, today, en route from Victoria, B. C., via Winnipeg to Detroit Lakes, Minnesota, Hon. Walter Scott, former Premier of Saskatchewan, was peremptorily ordered from the Northern Pacific train at ten o'clock this forenoon by U. S. Immigration Officer F. R. Russell, and kept locked up during three and a half hours until nearly two o'clock p. m., in a strongly barred cell. Mr. Scott alleges that he then liberated

himself by breaking through the plastered wall into a hall, which led to a stairway into a ground floor office, and thence it was simple to open a window and regain freedom.

Official Russell later found Mr. Scott in the Northern Pacific telegraph office and said he should be arrested, went out and returned together with a man whom he said was a constable, but changed his mind on being shown a draft of a telegram which Mr. Scott was filing, addressed to Sir Robert Borden, Premier of Canada, regarding the incident.

Parliament To Be Called About September 4th

Ottawa, July 31.—Parliament will be called, in all probability, early in September. Thursday September 4th, is suggested as a tentative date, although nothing has yet been officially determined. As pointed out some days ago, an earlier calling of session than was at first contemplated will be necessitated owing to the place of the war measures act (and the orders-in-council passed under it) on the peace. It is further regarded as of great importance that there should be no delay in ratification of the peace treaty by the Dominion Parliament.

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
