NOTICE.—No Store Shinplasters issued.

H. G. & Co. would also say that their business is their own, and carried on in their own name, by this means they are prepared to stand any losses that may occur, themselves; but, should they ever require it, they will make application to their friend and brother conversant with the *Frailties of Human Nature*, for the loan of that Mantle of Charity.

Not being believers in those "*Frugal, honest and industrious*" advertisements, (which smell strong of Holloway's Ointment,) they would advise the public not to be gulled by such quack trash. Although they are not strictly confined to the Cash Trade, NO MAN WILL BE ASKED TO PAY ANOTHER MAN'S DEBTS.

Comprising everything usually kept in a Hardware Establishment, which they are prepared to sell at as low prices as can be had in U. C.

SCOTCH AND CANADIAN TWEEDS. It is not at all astonishing that Canadian Tweeds have got a world-wide fame, when we consider that as yet no quality of cloth or material produced in any country equals the Canadian *in durability or in comfort.*

DAYS' HOTEL,

ON THE GRAVEL ROAD,

NEAR WROXETER.

THE subscriber, in returning thanks to the public for the very liberal patronage bestowed upon him—especially while his house was in an unfinished state—takes this opportunity of apprising his many friends and the public generally, of the fact that his house now affords accommodation *inferior to none in the County*, and therefore trusts that by a proper attention to business he will still merit the share of patronage hitherto bestowed upon him. Let no stage-man or other *interested* individual persuade you into the belief that it is all the same whether you go to Wroxeter or not, because not only is his house not in that place, but is 2 miles distant by any road that is travelable, and therefore travellers going to Belmore Teeswater, Walkerton, &c., will find "Days Hotel" on the main gravel road, about a mile beyond the finger board pointing to Wroxeter, and can expect superior accommodation and a hearty welcome at any hour of day or night. Our stabling is the most commodious in the county (city hotels, perhaps, excepted.) For a view of the house see R. W. Hermon, R. Martin and L. Bolton's New Map of the County.
