THE FACTS OF THE CASE

Last week there was evidently a "new hand at the bellows" in the editorial columne of the Star. For some time past-our contemporary has not been in favor with the rank and file of its readers. It has been openly stated that the editor was not of sufficiently strong power to deal with the questions that came up in the way that suited.

It is a matter of small moment to us, who, furnishes the "thunder" for the Star, but it would be little annoyed that it is not free to charge what it pleases for school work. Nevertheless we cannot believe that the public is injured by the competition, and interested-so largely—the settlement by the board of the respective positions of the inspector and principal. Of course we are aware that he is much troubled.

The star, but that journal charged \$3.24 for them—74c, more than thought it would be. It must be because they don't know where I am and what I have to sell. I have a variety of groceries and feed, such as eats and corn. I have flour in the sack and barrel, and to sell by the pound; also corn meal. I keep my prices with the other groceries of Chatham.
