have ever known.

Stock consists of Dry Goods, Groceries, Clothing, Shoes, Hats, Furnishing goods for men, women and children, Notions, etc., etc.

Messrs. Gariepy & Lessard have been in business in Edmonton for many years and have earned the envirable reputation of being thoroughly reliable. Their over ambition to please their customers prompted them to put in a mammoth stock of dependable merchandise which, in a very short period of time, will be thrown on the market at the mercy of the buying public and closed out in the very shortest possible time—nothing but the bare walls will remain.

THE STORE WILL BE CLOSED Tuesday, Wednesday, Thursday and Friday, October 12, 13, 14 and 15, during which time Lewis Bros.' large staff of sales people will be busily engaged marking down the price of every article in the store and prepare for the thrillings the news of this mighty movement has already caused commotion throughout the entire mercantile community. The entire stock will be marked down to prices that will sell at sight.

OUR METHOD OF CLOSING OUT STOCKS.

The question has been asked by a -good many Edmonton people, what system we used in closing out stocks; the old Chicago way--and will be I am sure, a sruprise to the people of Edmonton and vicinity. Every item in the store will be put on sale, not one item reserved. Although the original price tags will be left on each article new ones will also be attached that you may see for yourself the great reductions that have been made and display merchandise on counters and tables so as to make shopping easy and just as fast as one line is sold out others take their places until the entire stock is sold.

Remember the Sale Opens Saturday, October 16th at 9 a.m.

We advise you to come early in the forenoons as you will find it almost impossible to get waited on afternoons and evenings on account of the throngs of eager shoppers. Surprising bargains await you. Come and revel in these astonishing values; is it not easier to make money by saving than any other way. Come and make money; join the procession of thoughtful and prudent shoppers and be at the store every day at the sale. Buy good goods, save money.
