### CORRESPONDENCE

It is a well-known fact that low onceded today that Premier Asquith's is one of the greatest agricultural atement has helped to clear the air states in the Union and land in that state has increased in value at least of Sir Adolph E. Routhier, Quebec, and to that end to ease the tension in the Moroccan situation. It is the while I am a land owner and a citizen hope of the British government that of Alberta, and have every reason to have been officially confirmed.

say and believe that Alberta offers Home Made Syrup much greater opportunities for the investor of today and especially for RISES TO DEFENCE

OF STATE OF IOWA

Editor Bulletin:

Sir—I noticed in your issue of yesterday a communication which I wish to answer if you desire to publish my letter. The communication was from Mr. P. Dwyer, in which he stated to your reporter that he was compelled to leave Iowa on account of continued corp failures in that state. I would like to know what part of the State Mr. Dwyer is from and what kind of methods he pursued in farming. As I have been engaged in farming in the South-eastern Iowa near Davenport, for a good many years, and I have never experienced a failure such as he has outlined.

It is a well-known foot the wan with a limited amount of capital to get started, than do any other states or older settled countries, and while I am a booster in every respect for this land (Alberta), the place of Golden opportunities, I feel that it is my duty to call the attention of the general public to the fact that Mr. Dwyer is unjustifiably knocking a grand old state and I would not expect a man who has made a failure at farming in Iowa, as Mr. Dwyer states he has, to become a John D. Rockfeller or a Lord Strathcona in Alberta, Yours truly—

MIKE W. MOLYNEAUX,

Leduc, Alta, July 22.

Hallether and while I am a booster in every respect for this land (Alberta), the late is my duty to call the attention of the general public to the fact that Mr. Dwyer is unjustifiably knocking a grand old state and I would not expect a man who has made a failure at farming in Iowa, as Mr. Dwyer states he has, to become a John D. Rockfeller or a Lord Strathcona in Alberta, Yours truly—

STANDARD OF QUALITY FOR EVERY FARM POWER NEED

For running the cream separator, churn, feed cutter, woodsaw, fanning mill, thresher, pump, grindstone, electric lighting plant, washing machine—any farm machine to which power can be pplied—an I H C gasoline engine is the best investment you can make. It will work steadily and economically, it will last for years, and require less attention and repairing than any other engine made.

The record of IHC engines on thousands of farms is proof positive of their superiority. Their advantages in complicity, strength, economy, efficiency, and durability are well known.

IHC Gasoline Engines are built right—of the best materials obtainable—by skilled workmen, in the finest equipped engine factories in America.

When you buy an I H C you know it must be right in order to maintain the I H C reputation for highest quality. In the IHC line there is an engine that neets your special needs. They are made in

the following styles and sizes.

Vertical type—2, 3, 25, and 35-H. P.; horizental—1 to 25-H. P.; semi-portable—1 to 3-I., P. portable—1 to 25-H. P.; traction—12 to 2, H. P.; sawing, pumping, spraying, and grinding outfits, etc. Built to operate on gar gasoline, kerosene, distillate, or alcohol-air-cooled or water-cooled. See the IHC local agent, or nearest branch house today for new catalogue CANADIAN BRANCHES—International Harvester Company of America at Brandon, Calgary, Edmonton, Hamilton, 1 (6th) dee, London, Montreal, North Battleford, Ottawa, Regina, Easkatton, St. John, Weyburn, Winnipe, Yoskkon.
