# COLONY SACRIFICED

# At the Imperial Conference BY MORRIS AND WATSON.

Without a Cent of Compensation, Without the Consent of the People, Our Greatest Asset, Our Geographical Position, the Outpost of the West Atlantic. the Gateway to the St. Lawrence Our BIRTHRIGHT—Handed Over to Canada—Rt. Hon. Sir Wilfred Laurier Announces the Greatest Scoop of His Career on the Dissolution of Parliament, When He Appealed to the Canadian People.

abnormal quietness has reigned in say at all-no more than her people Government circles. True the Gov-Conference agreement. No one here ernment organs were furnished with knew what Sir Edward Morris and an interview full of the usual plati-tudes, but lacking even the faintest Wilfred Laurier told Parliament he tudes, but lacking even the faintest reference to the agreement made at the Imperial Conference which affects which for hundreds of miles washes the most vital interests of Newfound- its shores. It will be remembered that land. It may be remembered that on Mr. Morine told the Canadian Club of Toronto that the Dominion must be his arrival in England in July 1909 he made a most sensational announcement as to the capacity of Newfoundland to send men abroad and man ion has got, not by force, but by the Dreadnoughts of His Majesty's

an exclusive message to the Government morning paper here, the Daily News, Sir Edward Morris is reported

would increase her Naval Reserve, which was ready on a day's notice to

teristic. The talk was but the hollow- O that we had had a Bond there

thought of his empty bombast. We agreement? are now desirous of knowing what Newfoundland thinks of her Premier, who has been at home for nearly a both the Daily News and the Evening money is plentiful is no reason that the same conditions will prevail next Chronicle and who has remained absolutely dumb about the handing over, solutely dumb about the handing over, millions of dollars for ever. There body and soul, of the naval defence of must be an end to it. Newfoundland to Canada, which has no navy, but a couple of small training more money; there are more new industries springing up every year. ing ships, by an agreement made at That is so, but they cannot keep pace the Imperial Conference at which the with the scale of our expenditure Right Honourable Sir Edward Mor- the present time, and it is out of the ris. Premier, and the Hon. Robert Watson, Colonial Secretary, were question to talk of putting on more taxes. The people are now bearing all they can carry. present. What a come-down from the "We are drifting somewhere and talk of manning twenty Dread-that at a faster pace than ever. If it ness in Government circles.

How is it Newfoundland is left to j been jcopardized, through the making like free men who will be inclined of a statement by Sir Wilfred Laur- and able to make a bard business ier, at Ottawa. The agreement was light for a good bargain. It is not presented to the Dominion Parlia-ment last Friday by the Canadian 1913." ment last Friday by the Canadian Premier, Sir Wilfred Laurier. Two waters the limits of which have been set down. Newfoundland is right in the midst of the zone which has been

As we have stated there are two cludes all the waters north of thirty degrees latitude and East of 180 degrees. It includes half of the North Pacific Ocean to the immediate West of British Columbia. But it is with the Atlantic Columbia. But it is with the Atlantic Columbia of the North Pacific Columbia of the North Pacific Columbia. But it is with the Atlantic Columbia of the North Pacific Colum zones, one is in the Pacific, and called the Canadian Pacific Station. This ingrees. It includes half of the North Pacific Ocean to the immediate West of British Columbia. But it is with the Atlantic Ocean zone we have to do. There is handed over to the Dominion of Canada for naval and general defence purpose half the Atlantic Ocean as her special ocean province. In the agreement the Canadian Atlantic Station includes all the Atlantic Ocean to the North of 30 degrees of latitude, and to the West of lantic Ocean to the North of 30 degrees of latitude, and to the West of
40 degrees of longitude. This includes all the waters and ports of
Newfoundland, the Gulf of St. Lawrence, and the ocean waters for a rence, and the ocean waters for a What a contrast between the meek thousand miles to the east of us and Morris at this Conference and the long the sea for a thousand miles or more

the sea for a thousand miles or more to the south of us.

All this has been done, after the Premier's talk of manning twenty Dreadnoughts, and yet he has not ventured to utter a word announcing it, explaining it, or defending it. Newfoundlanders have been handed over like dumb-driven cattle without a word to the victims of the deal. The Dominion has long been pluming it. wind to the victims of the deal. The Dominion has long been pluming it-self or its nationality. Canada will be at war, when Canada says. If Britain is at war, Canada may declare neutrality. But what about Newfound-

Since the return of the Premier an | land? Newfoundland is to have n rounded off and Newfoundland includ-

ed, even if force be used.
Under this agreement the Domin guile, what she most hankered after viz., the geographical control of Newfoundland, and our birthright has been In an interview which was sent as given away and we do not get the proverbial song for it, and all this has with two men present, where we nevbefore we had a Bond, now we have "The Colony of Newfoundland but a Morris and a Watson, and this is the result. We are completely at

the mercy of Canada.

In her pride of kingdom she proudly go abroad and man the Dreadnoughts.

There would be no difficulty, he added. in obtaining to-morrow, crews for made Newfoundland, she has made Newfoundland a pawn to be at twenty battleships from among Newwar when Canada is at war, and whether Newfoundland likes it or Such was the high destiny reserved not. And to this state Newfoundland for Newfoundland by the Premier. Like a lamb she is to be led to the Needless to say, there was nothing in slaughter at the whim of Canada, and the Premier's talk. It was charac- this is the doing of Morris and Wat

### Trouble on George St.

Mrs. Walker, who resides on George Street, near the rear of the Post of-fice, and her neighbor, Mrs. Walsh, had trouble this morning and their altercation attracted a large gathering to Mrs. Walsh's door. It appears that Mrs. Walker missed a \$5 bill that Mrs. Walker missed a \$5 bill and blamed Mrs. Walsh's daughter, who had been in the house during the morning. The accused and her mother indignantly repudiated the charge and nence the trouble. A ponan had to be called to clear away liceman had to be called to clear away the crowd from the door. Mrs. Walker pulled down all the blinds, but the crowd still lingered "to see the rights of it" till the policemen many them disperse.
