50 PER CENT. SAVED ON YOUR TAILOR'S BILLS.

The success of Ungar's Dry Cleansing Process is such that any man can reasonably expect to save 50 per cent. on his tailor's bill by allowing us to smarten up his clothes, which, altho not worn out, have become too soiled to be used.

The people of St. John's who have tried our processes of cleaning and dyeing have been more than delighted with the results. In two weeks' time your garments are returned in perfect condition, having every appearance of new.

Enquire of our local agents, Messrs. Nicholls, Inkpen & Chafe, Ltd., for full particulars.

"ANCHOR" BRAND
Cans
 Lead in Quality.

This year special pains have been taken and our Cans will be superior to all others in at least two respects.

The Cover of every Can will fit so perfectly that it will be possible to seal a case with about 20 cents' worth of solder instead of using a pound, which costs nearly 35 cents.

The Covers of Anchor Brand cases will be put on with patent fasteners instead of being nailed. This will allow the cases to be opened without danger of splitting the cover abroad, which so often happens when the cover is nailed on.
