Facts About the Hudson

March 15. In a letter to C. R. Wagner, who distributes Hudsons in Deadwood, South Dakota, George F. Baggeley speaks well of the Hudson. Baggeley is a special representative of the Standard Fire Insurance Company in Deadwood, South Dakota. His letter in part:

"We drove from one end of the State of South Dakota to the other, covering 644 miles, through a snow storm from start to finish and if you will recall, we did not have to add water to the cooling system at any time."

"Another item I wish to mention is the low cost for the year. For repairs I paid out \$4.25 and none of the items covered was from any fault of the car. I have covered fifty-five hundred miles, which as you well know is a good year's mileage for this Black Hills country, and the engine works perfectly."
