WANTED IMMEDIATELY,

To work in the Job Room of the Mercury

Town and County News
Don't fail to read Geo. Jeffrey's adver-
tisement in to-day's paper.

THIS EVENING.—The Strawberry Festi-
val given by the Good Templars takes
place in the Drill Shed this evening. Go.

HORTICULTURAL SOCIETY.—The Spring
Show of this Society takes place to-mor-
row in the Drill Shed. In the evening
the Band of the 28th Battalion (Stratford)
will furnish the music.

SERMONS TO THE SOLDIERS.—In most
of our churches on Sabbath the sermons
had special reference to the volunteers
now in camp, and in all the congrega-
tions some of our country's defenders
were to be seen in uniform.

SENSIBLE ADVICE.—If you wish to
draw yourself, kick and splash about as
violently as you can, and you will soon
go to the bottom. But if you remember
that you are lighter than water, and if
you calmly and steadily refrain from
drawing your breath while under the
water, keep your head raised, and your
arms under, you will soon learn to float
and swim like a duck.

A SLIGHT SMASH.—On Sunday after-
noon as a young man from Berlin was
leaving Hefferman's Hotel, driving a pair
of horses attached to a double buggy,
they took fright at a stroke of the whip
and commenced kicking. The traces
were loosened from their fastenings, and
the animals started along Norfolk Street,
leaving the young man and three fair
companions looking very foolish and very
much annoyed. The horses were stopped
at the corner of Cork Street by a soldier
who was passing; and by the aid of a
kindly neighbor, the young man was
soon on his way homeward.

ZION S. S. PICNIC.—The annual pic-
nic of Zion Chapel (Rev. J. Howie's)
Sabbath School, was held in Mr. John
Robertson's bush, on Friday, 3rd inst.
There was a goodly number of children,
parents and friends. There were races
for elastic balls, skipping ropes, tin
banks, books, tea sets, whistles, whist-
ling goss, and musical instruments of
all manner of shapes. But the great at-
traction of the occasion was John
Griffith with his "merry go-round."
Whatever objections there may be to
horse racing in the abstract, it was found
to be a very enjoyable thing at our pic-
nic. Toward sunset there were indica-
tions of rain, but with a little waiting all
the company got home without much
injury.—Com.

MANITOWA PENITENTIARY.—We under-
stand that Messrs. Morrison & Barclay,
of Guelph, have obtained the contract
from the Dominion Government for the
erection of the Manitoba Penitentiary at
Stoney Mountain, some fifteen miles
west of the town of Winnipeg. We be-
lieve that several tenders were put in,
but that of Messrs. Morrison & Barclay,
was accepted. Both gentlemen are prac-
tical mechanics of great experience, and
this, with their matured judgment and
well-known energy, is a good guarantee
that the work will be pushed on with all
spirit, and that it will be a credit to
them and the Government by whom they
are employed. Operations will be
commenced as soon as possible, but it
will doubtless take all next season to
complete the building.

POLICE COURT.
(Before the Police Magistrate.)
July 6.
James McCutcheon, charged by Edw.
Billing with using abusive language, was
fined \$5 and costs.

Lewis Mudge was charged by the Li-
cense Inspector with selling liquor with-
out a license. He was fined \$20 and
costs.

THE SENSATION RESCUE.—Brick Pome-
roy delivers himself as follows on the last
great Niagara sensation:—"They have
commenced at Niagara Falls again. Times
are hard, money is scarce, the inflation
game did not work, and business is not
generally good in the vicinity of the great
American wonder. So it was that a few
days since a painter, anxious to help ad-
vertise the place, allowed himself to fall
into the water and float within a hundred
feet of going over, when he was caught by
some ropes and pulled out, a thoroughly
wet and well-cuddled man. It is ex-
pected that at least nine thousand per-
sons will pay ten cents each to see where
the man came so near going over—and
that will help business a little. We
suggest that they manage to let fifteen or
sixteen hickmen over every week—and let
them go clean over. The audience would
be appreciative and the public generally
would be thankful. Several thousand
persons in this country would ride two
and a half miles, just to witness such a
final taking off of such vigilant warriors
as center their anatomical steeds around
that settlement, at the rate of seventeen
dollars a centur.

Toronto is troubled with a large quan-
tity of nickel cent pieces, and attempts
are being made to pass them off as ten
cent pieces. Saloon keepers are the
principal victims.

THE BRIGADE CAMP.

Saturday, July 4th.
Saturday was emphatically cleaning up
day in camp. In the morning and fore-
noon there was a good sound drill, the
second drill being devoted mainly to
battalion movements. The men appear to
have made considerable progress in this
part of their work; and especially in
light infantry drill and skirmishing their
movements are creditable indeed. The
artillery, too, had a drill in stores, ad-
justment of charges, and fuses in shells,
&c., and harness inspection in the after-
noon.

In the afternoon cleaning up com-
menced in earnest, all refuse about the
tents being removed, and by night every-
thing was as neat as a new pin. The
30th had a drill at striking and pitching
their tents, and they went through the
operation with remarkable celerity. It
was done to the sound of the bugle, and
the fall but comfortable structures were
levelled with the ground and raised
again as if by magic. They are this
time pitched perfectly straight, which
adds to the neat and orderly appearance
of the camp very much.

One case of the measles was reported
on Saturday. With this exception there
have up to the present been no cases of
sickness worth speaking about.

On Saturday evening most of the men
were down town, but nearly all returned to
camp in good time, and scarcely any
breach of discipline was recorded.

We ought to mention that Col. Clarke
has granted permission to the bands to
come to town in turn every evening dur-
ing camp, and play on the Market
Square. The band of the 28th played
on Friday, and the band of the 29th on
Saturday. The compliment is highly
appreciated by our citizens.

Monday, July 6.
The Brigade paraded on Sunday morn-
ing at nine o'clock for divine service. The
Exhibition Building was used, and
answered the purpose admirably. The
space in the centre was reserved for the
clergymen and Brigade staff. Two
drums mounted on a table answered the
purpose of a pulpit. These were draped
with the beautiful colors of the Bruce
Battalion—presented to it by the ladies
of that County—and formed a most ap-
propriate adornment. The men were
marched into the two eastern wings of
the building. When all were congregat-
ed and properly arranged the scene was
at once striking and picturesque, and
was witnessed by a good many civilians
who had come out to attend the service.

The service was opened by the bands
of the 29th and 30th playing a beautiful
selection from "The Creation." At a
subsequent stage they led the music in
the singing of one of the hymns to the
tune of the National Anthem. The rest
of the musical service was led by Mr.
Allein, Sec. to the Y. M. C. A. This
part of the service, both vocal and in-
strumental, was very interesting, and
was admirably done. The Rev. Mr.
Cooper read a portion of the English
Church service, and the Rev. Mr. Ball
preached a short but very earnest and
appropriate discourse, taking as his
theme the incidents in the life of Corne-
lius the Centurion, as related in the
10th chapter of the Acts of the Apostles.
He showed how a soldier's duties were
not inconsistent with those of a Chris-
tian soldier, and gave instances of renowned
British soldiers, who were equally re-
nowned for their piety. From the lives
of these men he drew many salutary
lessons, and earnestly impressed on all
present the importance of becoming not
only good soldiers of the Queen, but also
good soldiers of Christ.

At the close the bands were marched to
the tents, and many of them availed
themselves of the privilege of attending
the regular services in the different
churches in town.

In the afternoon a Bible Class was
conducted by Lieut. McCrae of the Battery,
and at a later hour there was a practice
of sacred music, both of which were well
attended. At seven o'clock in the evening
the Rev. Mr. Cooper preached to a
large number of volunteers and civilians
in the open air, near the camp of the
32nd. The 29th and 30th Bands were
present as in the early part of the day,
and led the music with excellent taste.
After reading a portion of the evening
service, Mr. Cooper preached an excel-
lent practical sermon from the text
chap. 2nd Peter, 19th verse. He dwelt
for a time on the evidences of the truth
of Christianity as furnished by the "sure
word of prophet," and then turned to
the latter clause of the verse, showing
how all important it was that these truths
should not only be known intellectually,
but should become a living power in the
heart. He closed by a faithful and ear-
nest admonition to the volunteers.

The camp was visited on Sunday
afternoon and evening by a very large
number of townspeople, who felt much
interest in inspecting it, and looking into
all the details of camp life. The behav-
ior of the men during the day and even-
ing was, as far as we learn, very exem-
plary. Many of them attended service
in the evening in town, and at an early
hour all was quiet on the ground.

To-day a portion of the 30th rode to the
barracks. An order has been issued that
Captain Hollinger, No. 10 Company
Rifles, will act as major during the stay
in camp. The 30th Rifles has been di-
vided into two battalions, for brigade pur-
poses and movements in the field.

Another of the Tory sensations has
come to grief. After wasting innum-
erable columns denouncing the appoint-
ment of Norris as Private Secretary to
Mr. Sneyd, the Government Railway
Commissioner for Prince Edward Is-
land, they have discovered that he has
not received that appointment at all.
W. H. Tilley, of the Public Works De-
partment, has received the appoint-
ment.

Small-pox is on the increase in the
east end of Toronto.

Base Ball Tournament.

(From our own Correspondent.)
Watertown, N. Y., July 3.

We arrived here all safe and sound
after a very pleasant journey; every one
of the Nine was ready for work, and
feeling confident as to the result. If we
don't get that \$500 with us we will give
a good account of ourselves.

There are seven clubs entering for
the 1st class prize, viz., Nassans, of
Brooklyn, N. Y.; Flyaways, of New
York; Chelcias, of Brooklyn, N. Y.;
Eastons, of Easton, Pennsylvania; Kin-
Klux-Klan, of Oneida Castle, N. Y.;
Maple Leaf, of Guelph; Rochester, of
Rochester, N. Y.

Pools sold last night \$10 to \$3 on East-
ons against the field. Eastons and Fly-
aways are mostly composed of profes-
sionals, and it will be hard work fight-
ing either of them, but our boys are
sanguine.

We came as near as possible white-
washing the K-K-K. this morning, but
some of the boys got a little wild, and
the consequence was four runs on the
6th innings instead of a Chicago.

A large amount of money changed
hands on the game. Pools selling \$5 to
\$3 on the Maple Leafs winning.

The Flyaways and Eastons play at 2
o'clock p.m. The following is the score
between the Maple Leafs and the K.K.K.

Presentation at Almonte.
We are happy to learn from the
Almonte Gazette that Mr. John Wilkie,
who has been teaching in the Almonte
High School for the past nine months,
was made the recipient on Friday, the 26th
ult. of a very handsome writing desk, gold
pen and gold pen-case, accompanied with
the following address:—

Beloved Teacher,—Before we part for
the holidays a pleasant duty remains to
be performed. We all know how earnest-
ly you have sought our good, with what
pains you have endeavored to bring us
forward in our studies, and how un-
selfish your labours have been for our im-
provement and instruction; and though
we may not have shown in all things
that interest and diligence which we
ought, yet we are touched with a sense of
gratitude for all you have tried to do for us. We have
great pleasure in presenting you with
this desk and furnishings, as a token of
our respect and affection. Its true value
consists in the feeling which has
prompted the gift.

Mr. Wilkie made a very brief reply. He
was so taken by surprise that he was
unable to express at any length his feel-
ings of thankfulness.

Mr. Wilkie started sometime ago a
museum in connection with the High
School in Almonte, which the Inspector
said on his recent visit was the best in
Ontario, and was quite surprised to find
so large a number of interesting
specimens.

GOOD NEWS TO SUITORS.—Parties hav-
ing occasion to sue for the collection of
debts in the County and Division Courts,
will no doubt be pleased to learn that
from and after the 1st of July they will
have the privilege of doing so without
the tax hitherto levied on behalf of the
Government in the shape of Law Stamps;
an Act of the Legislature of Ontario,
passed at its last sitting, providing that
from the time mentioned no fees or
charges shall be payable for the benefit
of the Crown on any proceedings had in
any County or Division Court, and re-
pealing so much of any Act or Acts as
imposes any such fee.

CURIOUS EVIDENCE OF INDUSTRY.—A
man named Walker, a table waiter at
the Revere House, Toronto, has in his
possession a curiosity in the shape of a
rug containing no less than 28,148 pieces,
all of which have been dyed, cut, and
sewed together by himself at spare
times during a number of years. What
adds to the interest of the work is the
attractive arrangement of the colors into
a very pretty pattern, the whole forming
a most elegant, and at the same time, a
useful and durable article. The maker,
who is an Englishman, has been but
four weeks in Canada, and is already en-
gaged upon another rug to be made in the
same manner.

About six o'clock on the evening of
Monday, 15th ult., a mishap occurred at
Martin's Mills, Mount Forest, by a quan-
tity of pine timber in the oak kiln ignit-
ing and setting fire to the roof of the
building.

The direct water communication from
the British Channel to the Mediterranean
through France is about to be completed
by means of a junction canal intended
to connect the Marne and the Saone.

The next meeting of the Central Re-
form Association of Southern Grey will be
held in St. Andrew's Hall, Durham, on
Wednesday, the 8th July.

Total loss, \$200,000.
