Bradstreet's Review.

Bradstreet's Review.

Special telegrams to Bradstreet's confirm previously reported indications of an unexpected check to general trade in January, as compared with 1889. California reports decreased wheat accage and adverse weather conditions with 1889. California reports decreased wheat accage and adverse weather conditions with 1889. California mand six days snow backade of the Central Pacific Railroad. Had wool have all been unfavorably affected by a return of mild weather. Almost all leading trade centers report only a fair volume of business. At New York, excep: fine butter and cotton goods, steel and the better grades of iron, nearly all staple commodities have declined in price, or have shown a tendency to do so. Wheat flour is off 5c to 15c, in the week 14c to 25c at Chicago. Indian corn has declined sharply \$\frac{1}{2}\$ ct to 75c per barrel, and lard \$\frac{1}{2}\$ to 15c, in the West, pork dropping \$\frac{2}{2}\$ ct o 75c per barrel, and lard \$\frac{1}{2}\$ to 15c frain Trade.

London, Feb. 3.—The Mark Lane Express, in two wells, veryiew of the British grain trade.

Attention of ADVERTISER readers Attention of Abventish to the directed to the fact that subscribers to the London Symphony Orchestra concert can secure seats on Thursday, but the general public not until Saturday. The concert takes place on Tuesday next.

Eight chimney fires gave the department s many runs during the month of January, nother at London West and one at Stevely's, on Richmond street, completed the record. The only loss sustained in the city was at Stevely's, which amounted to about \$250.

Last evening one of London's promising Last evening one of London's promising youths, about 15 years old, very neatly lifted about 90 cents from the counter of a Dundas street tobacconist and made off before he could be nabbed by the irate clerk. The loser was a little fellow who came into the store to get a pound of tobacco for his father and he laid his money on the counter rolled up in paper, while the clerk was waiting on another customer.

Cantain Thomas Beattie, of this city, is

waiting on another customer.

Captain Thomas Beattie, of this city, is to be married to-morrow to Miss Agnes to be married to-morrow to Miss Agnes Burwell, daughter of the Postmaster of Fingal. A little bird from that vicinity whispers that the bride is a very beautiful whispers that the bride is a very beautiful accomplished young lady. After and accomplished young lady. After their return from their honeymoon trip they will reside in the Dundas street house formerly owned by Mr. S. Crawford.

The plan for the Young Liberal Minstrels The plan for the Young Liberal Minstreis performance on Thursday evening opened at the box office and the rush exceeded all expectations. In an hour over 300 seats had been reserved, which, considering the wet morning, was very good. The seats continue to go off rapidly, and a bumper house is assured. Seats in the balcony are being reserved for 50 cents.

reserved for 50 cents.

Nellie McHenry To-Night.

The popular Nellie McHenry, who will be remembered by Londoners as having been the star of the Salsbury Troubadours a few years ago, is acknowledged to be more vivacious and frisky than ever, and her support is equally strong. The farcecomedy, "Green Room Fun, or a Glimpse with the control of the support of the sup

support is equally strong. The larcecomedy, "Green Room Fun, or a Glimpse
Behind the Scenes," is to be presented, and
all who go are guaranteed an evening of
side-splitting mirth. "The jolly Nellie
McHenry" is the popular method of
alluding to her in the various
dramatic journals of the United States.
The San Francisco Chronicle says: "Miss
McHenry assumes several characters and
costumes, in the latter particular displaying an ability for making a fan and a hat
answer for a greater proportion of costume ing an ability for making a tail at all a masser for a greater proportion of costume than is easily imagined." The New York Express and Mail remarks: "For an evening of hearty and uncritical laughter it is worthy of earnest commendation."

THE ONTARIO HOUSE.

(Special to the Advertiser.)
TORONTO, Tuesday, Feb. 4.
The House is quiet all morning, and the

chances are that the afternoon session will be brief. The Empire this morning states that there was a Government caucus yes terday. The answer to the nonsense tained in its paragraph is that there was

no such caucus held.

It is understood that Dr. McLachlin M.P.P., West Durham, will not be a candidate for re-nomination at the Reform Con-Saturday

self into his arms. He held heart, murmuring, as he kissed 'Truly the old poet was right

The falling out of faithful fr. Renewal is of love.

And, now dear, let us come back I am desperately hungry, having splendid supper in order to g sooner. Have you anything in to eat? to eat?"
"Nothing very nice."
"Anything will do—a little bibottle of wine, if you have any.
"On yes, there's plenty of classified will have something ready for dining-room in a minute or two.
Annette hurried off, her heart with new and unexpected hands

with new and unexpected happin How quickly it would have bee by fear had she but glanced back and surprised the black, threat The soon prepared a little cold and called him into the dining-ro He ate something, then openeof wine, poured out a glass, pto it, and set it down, saying the warm to dish

to it, and set it down, saying to too warm to drink.
"I will get some ice," said the "And another wine-glass please As soon as she hadlleft the roon the perfume-bottle from his p steakhily poured its contents empty glass. The liquid was Nevertheless, he held his hand top of the glass until Anneste c with the cracked ice in a saucer.

spoonful into the glass then a dress the analysis and the dress the action of t spoonful into the glass, then a dro of wine, raised it to his lips, but

of wine, ralsed it to his lips, but of wine, ralsed it to his lips, but of care not to taste it.

"It's flat," he said, still holding bit of bread will make it effervese fill your glass for you, my love; yo piece of bread into it, and toos off the moment it bubbles up."

He held the glass of poison in course the wine into it with the owner she dropped a bit of bread in handed the glass to her saying:
"Now! quick! drink! drink!"
"Now! quick! drink! drink!"
she unhesitatingly, unsuspecting the wine to the last drop.

As she set down the glass she cayes fixed upon her with such a stression in them, so dark, sinister triumphant, that it struck instant her heart, and in a tone of won elarm she asked:

"Why do you look at me so stression in the saked:

"Why do you look at me so stression in the saked:

mall Pill. Small Dose.
