LONDON, March 8.—The Times learns that Speaker Arthur Wellesley Peel has intimated to Sir William Harcourt and to Mr. Balfour his intention to relinquish his office as soon as the post can be filled. MR. SMALLEY CHANGES BASE.

LONDON, March 8.—The Chronicle announces that Mr. G. W. Smalley, for many years the London correspondent of the New York Tribune, has accepted the position of correspondent for the London Times in New York. Mr. Smalley said in the course of an interview today: "My motives for the change are my long exile from America, and my desire to retire to stay. My experience in London has taught me that American life ought to be represented in order to interest the British public, and to doing this I shall devote myself."

The asylum physicians pronounced his wounds mortal this evening. It is said he will die before morning.

"UNEARNED INCREMENT."

LONDON, March 8.—Andrew D. Provend, a Liberal, representing a division of Glasgow, brought up in the House of Commons this evening the subject of unearned increment. He moved "that no system of taxation can be equitable unless it include the direct assessment of such enhanced value of land as is due to an increase of population, wealth and growth of towns."

Mr. Shaw-Lefevre, (president of the Local Government Board, replied that without doubt there had been a continuous increase in the value of urban land. The landlords had enjoyed the full benefit of the increment without bearing their share of the increase of taxation. He could not commit himself to any particular scheme of reform, nor promise a Government bill, but he could express his hearty indorsement of Mr. Provend's views.

After Sir Edward Clarke (Conservative, Plymouth) had argued against Mr. Provend's views, the motion was passed without division. The short debate was heard with keen interest by the House, as it bore directly upon the vexed question of ground rent in large towns, most notably London.

Talk of the Government Passing a "Remedial Order" in the Manitoba School Case.

"MANITOBA TACKLED."

OTTAWA, March 8.—The Evening Journal tonight has an article headed "Manitoba Tackled." It says that the general opinion expressed today in official circles is that the Government will pass at once a remedial order asking the Manitoba Legislature to give the Roman Catholics an equivalent of the school privilege they enjoyed prior to the passing of the School Act of 1890. To be of service this year the order must necessarily be issued at once, because if the Legislature of Manitoba, which after sitting is allowed to prorogue, then nothing can be done for another year. Once the matter is taken from the Cabinet here, it is said that the date of the general election will be announced, although the Conservative members of Parliament are still clamoring for action before dissolution.

The Citizen this morning hints plainly that the Dominion Government has decided to ask Manitoba for redress for the Catholic minority.

AN INDEPENDENT IN EAST SIMCOE.

ORILLIA, March 8.—Rumor has it that ex-Mayor McCosh, of Orillia, intends offering himself as an independent candidate for East Simcoe. He neither affirmed nor denied the rumor. He has a strong following, and a hard fight would be made.

WEST HURON'S WAR HORSE.

(Huron Signal.)

The return of M. C. Cameron to Goderich has been a source of regret to those of his opponents who were of the opinion that the old warhorse of the Huron Tract would not again be in the race for West Huron. Speaking on the subject to several of his friends Monday last he said: "My health was never better than it is today, I am pleased to state that I shall certainly see to it that the riding will not go by default, so far as the Liberal party is concerned. When asked if he would be the candidate, he replied, with a merry twinkle in his eye, "That will be for the Reformers of West Huron to decide in convention, which I understand is shortly to be held." Mr. Cameron has always been where the brunt of the political battle was, and all will rejoice that, physically and mentally, he is able once again to strike trenchant blows in the cause of Liberalism. The Reform convention will, we understand, be held in a short time at Duncannon.

EAST LAMBTON LIBERAL NOMINEE.

The nominee of the Reform convention in East Lambton is Mr. John Fraser, ex-mayor of Petrolia, and not John D. Fraser, as reported.

A Young Liberal Club was formed at Whitby on Friday night, and upwards of 100 members were enrolled. President, F. H. Annis.

Arrangements are being made for the holding of the McCarthy conventions in the different Toronto constituencies. A Young Liberal Club was organized in Orillia Thursday night, with C. J. Miller as president.

MURDERED FOR MONEY.

The Hayward Trial Finished—Prisoners Found Guilty.

MINNEAPOLIS, Minn., March 8.—When Attorney Irwin concluded his address in the Hayward murder trial this morning Judge Smith opened his charge. The court took the view that Blixit was the man who directly committed the murder of Miss Gine. The question to decide was whether or not Harry Hayward instigated Blixit to do the crime. If the jury found that he did then they were justified in bringing in a verdict of guilty as charged. The jury found Hayward guilty of murder in the first degree. The prisoner will be sentenced on Monday.

Great damage is reported. A railroad operator above Rome telegraphed that the cyclone struck a southern train and would probably have wrecked it had not the train entered a long, deep cut, where it was protected.

OARSMEN ORGANIZED.

The London Rowing Club held their annual meeting and election of officers last evening at the Tecomseh House. President Col. Macbeth was in the chair and other members present were: M. J. Kent, secretary, W. C. L. Gill, J. A. Thomas, E. R. Cameron, W. A. Lipsey, F. Henry, A. D. Huff, U. A. Buchner, A. E. Weld, G. Pritchard, G. D. Eling, W. E. Eardly, F. Kerrigan, and J. McDougall. The annual report President Macbeth stated that last year there were 115 members, with the subscription at \$5. The club had kept within their receipts, a great part of their funds going toward putting up and taking down the small foot bridge. It was in the interests of the club to build a permanent bridge, and a subscription list was already in circulation for this purpose. The sum of \$103 had been subscribed, \$50 of this by the club. The executive had considered the advisability of making a permanent organization by buying the property on which the club house stood. A number of the members were interested in the game of golf, and provision should be made so they might play on the club grounds and not drift to any other organization. The report was adopted. Mr. M. J. Kent proposed a number of changes in the rules, which were discussed and all adopted. As a result of the changes a chairman is to be appointed for each line of sport, each chairman to be a member of the executive, and each line would obtain a fair share of the funds.

Officers were then elected as follows: President—Col. Macbeth.

First Vice-President—M. J. Kent.

Second Vice-President—J. W. Little.

Captain—Dr. Jento.

Secretary—A. Parfitt.

Treasurer—J. A. Thomas.

House Committee—John Weld (chairman), G. D. Sutherland, W. C. L. Gill, J. H. Brown and John Hunt.

Rowing Committee—G. H. Gillespie, A. D. Huff, W. Dinnen and G. W. Marsh.

Bowling Committee—John Poppe (chairman), G. A. Somerville, Robert Inglis, Edmund Weld and L. M. Donald.

Lawn Tennis Committee—F. Henry (chairman), Geo. Macbeth, N. S. Williams, H. Southam and W. S. Smith.

It was proposed that the executive be a committee for the purpose of entering proposals from other clubs who desire to join, and to have power to accept or refuse such proposals.

The meeting closed with a vote of thanks to the executive and a vote of confidence in the committee.

Suggestions were made to build up the corner of the club's property which was the clothes containing his watch, and to double the size of the lawn. Tenders were received for the erection of a suspension bridge, the span to be 34 feet, and the cost estimated at \$275. The matter was laid over.

of it, and the railroad city people had a very easy scoop. But the London people were to have the medal the following season and brought the medal back with them.

The contests for the medal this year have been very keen. London defeated St. Thomas some time ago, and last week the Forest City Club defeated London. Aymer forfeited. St. Thomas wanted another try, and yesterday afternoon at the Simcoe street rink endeavored to wrest the prize from the Forest City players. They didn't succeed, although they gave the local players a hard push. The game was close and exciting, and when the usual number of ends—22—had been played, a dispute occurred. The first rink for Forest City claimed credit for 24 shots, and gave their opponents 15. The second rink stood: Forest City, 18; St. Thomas, 1; third rink, Forest City, 15; St. Thomas, 23. This gave the home club a lead of 1, but the "fally" for the first St. Thomas rink claimed that the Londoners in the same rink had secured only 23 shots. It was agreed to play an extra end all round, and here is the result:
