Europe Bleeding to Death In the Midst of Peace and nation would seem to be bound to up all the hope for the future of the

Toward Bankruptcy-Strik-

"Roll up the map of Europe"-so ran the most famous of historic declarations. "It will not be needed for a generation." "Roll up the map of social progress," is the command from whatever malign spirit broods over Europe a century afterwards, "and for an indefinite future concentrate your energies upon the apparatus of war." Nothing new to the student of present affairs has been revealed by the debates and alarms of the past fort-night. That competition in armaments is spreading from the land to the sea, that the nations of Europe are confronting each other across frontiers mined with explosives and bristling with bayonets, that one half the national expenditure of all the the plain man may say with a shrug destroying, and all at last destroyed, all nurses seem to be conscientious peoples is devoted to the apparatus of the shoulders; "so will it be to the destruction, that a whole civilization, that a whole civilization, the destruction, that a whole civilization, the days of a new world." This is a misunderstanding of the gods" the days of a new world. The much more than it worried me. At subtle and cunning in invention, is the situation. So has it never been —London Nation. moving along the pathways of Fear and Hatred towards bankruptcy or some cosmic catastrophe—these are mankind since the dawn of history. facts which the prophets of modern but never, at least in European hisdays have emphasized with mournful tory, has there been exhibited the iteration. But they are facts special- condition of the past thirty years, ly brought home in such moments as the present, when one particular people is compelled to take stock of its own position. In each human life the individual is running a losing race to bigger ship, from gun of two miles with death. Sooner or later will come to gun of ten miles ranges, from batan end of the struggle which each tle on land to battle on sea, from the day brings nearer. But, for the most surface to underground, soon from war part, he pursues his business undisturbed, thinking that he will endure process is never backward or stationturbed, thinking that he will endure forever. Only occasionally—in the loss of a friend, through the warning of disease, by some arresting accident—he is brought sharply into contact with reality; in the sudden realization of his hazardous and transitory conlonged as a kind of indefinite night-more who is to activate the contact. dition. Something similar to this mare, who is to estimate the cost, upsharp contact with reality in the life on each successive generation, in a of the individual has happened today burden ever increasing in weight, laid in the life of the nation. We face a upon nations already troubled by a cross section of a race to ruin. Lib-eral statesmen, heirs of Gladstone, and neither appease nor forget? And all the triumph of their cause. The death so speedily coming to each, to prospect of peace and goodwill, and the effort towards making the life of and delight under the sun.

How Pale, Tired Girls Become Strong and Ruddy

The pallid girl always lacks appetite. What little she eats is badly digested. At night she is restless, she dozes but doesn't sleep soundly Vital force must be increased, new blood must be supplied and a general rebuilding take place before she will feel like she ought. Dr. Hamilton had heavy woman who had good-sized hands invaluable experience in these cases and found nothing so prompt in building up the young woman as his vegetable pills of Mandrake and Butternut, Dr. Hamilton's Pills begin by cleansing the system and purifying the blood; they also improve digestion and render food ready for absorption. Additional nourishment is quickly supplied and the patient is fast strengthened and invigorated. Full of spirit, ruddy and strong is the girl that assists her system by Dr. Hamilton's Pills.

The following recent letter from Miss Etta McEwen, of Haliburton, speaks for itself: "In using Dr. Hamilton's Pills I find my system is wonderfully built up. It is certainly the most effective remedy I ever used. I have now a good appetite, sleep more soundly and awaken in the morning feeling quite refreshed. Formerly I felt tired and depressed. I looked as if a severe illness was hanging over my head. Nothing could give quick-er results than Dr. Hamilton's Pills, and I strongly advise every young feeling quite refreshed. Formerly I telt tired and depressed. I looked as if a severe illness was hanging over my head. Nothing could give quicker results than Dr. Hamilton's Pills, and I strongly advise every young woman to use them." All dealers sell Dr. Hamilton's Pills. 25c per box or five boxes for \$1, at all dealers.

Eracefully. Her nands were large but not coarse—hands that you expected to find on a woman of her bult. They ficult than one would think. Any belonged where they were.

"After her was the slim young thing, than any singer, however good his bottles at all dealers." or five boxes for \$1, at all dealers.

As he didn't know what he was saying-delirious most of the time-and said it so artistically, she fell into the habit without knowing it. She was so frank and honest about It I had a good laugh.

"Oh, they're all good, those nurses ake 'em as you find 'em. You may nit a rough spot here and a too smooth stretch there, but the rest of ithev're all right.

TOO MANY OPPORTUNITIES.

It takes a strong purpose and a great deal of determination to resist the thousand and one attractions in city life and concentrate one's mind upon self-govern-

There is such a thing as having too many opportunities, too many facilities. As a rule, boys who are born and brought up in the midst of libraries, books and schools become indifferent to the value country, where books are rare and opporremarkable memory, attention to tunities for education limited, the ambimost of his time, to seize every opportunity for self-culture with avidity, to redeem himself from mediocrity.

One of the greatest dangers of city life is that of becoming superficial. Where there are so many editions of the daily paper away. This desultory habit is suicidal to all deep and lasting culture. After we acquire this habit, it is almost im-

possible to get rid of it. No great and lasting success can be attained until one has formed a habit limber, active, free from pain and of continuous, persistent thinking along perfectly cured, fundamental lines. A little dipping into this and that, a few minutes' reading with me but 'Nerviline,' and I strongly very little thinking, or contemplation, or urge its use for rheumatism, neuralgia "She would slip—if a big woman reviewing of what we read, will result in sciatica, lumbago, strains and swella most shallow life.-Success Magazine.

Torturing, Blinding Headaches Cured

-absolutely cured-by GIN PILLS.

Ninety per cent of the Headachesthat drive women almost mad - are caused by Kidney Trouble. Heavy housework, washing, sweeping,-strain the back and weaken the kidneys.

It is the duty of the kidneys to take uric acid out of the blood. When these organs are inflammed, weakened, uric acid stays in the blood and is carried all over the body. It inflammes the delicate tissues of the brain and spinal cord at the back of the neck, causing excruciating Headaches.

Gin Pills cure these Headaches because they cure the kidneys.

Williamsdale Rast, May 9 I cannot refrain from writing you of the benefits I have received from Gin Pills. Before taking Gin Pills I had suffered dreadfully with my back and Headaches and had suffered for 20 years. I have tried almost everything but got no reh f until I got Gin Pills. I have taken 6 boxes and now I have not a sign of a pain or an ache. I am now 48 and feel as well as ever I did in my life. MRS. MILLANOR P. RIPLEY.

Take Gin Pills on our positive guarantee of a cure or money back. If, after taking 6 boxes of Gin Pills, you feel no benefits, write us to that effect and we will refund your money through your druggist. Gin Pills are sold by all dealers at 50c. or 6 boxes for \$2.50 or sent direct if your druggist can't supply

PROVISIONS FOR A FISHING SCHOONER.

How much sugar do you suppose 2 men will consume in one week aboard a fishing schooner? About 150 pounds. How much rolled oats and oatmeal? A bushe basket twice full of two-pound packages. How about meat? Half a steer for roasts, steaks, stews and corned beef. Potatoes? About three bushels. Pickles, bacon and cabbage find a place aboard the vessels in large quantities. Then there's the salt "She had just left a patient who pork for fish chowders, and fried fish, for crews of fishing craft are notoriously fond of sea food.

The vessels are kept stocked with provisions to last a week or ten days longer than the time generally required to make trip to the grounds and return. Some of the schooners have water tanks of 1,000 gallans capacity, which are filled by supply boats at the rate of one-half cent a gallon.-Boston Herald.

Darting Pains Around Shoulders and Spine

BROCTON MERCHANT IN HOSPI-TAL FOR WEEKS CURED OF RHEUMATIC PAINS BY "NERVI-LINE."

"It would be impossible for me to tell how much I suffered with a sort of travelling rheumatism. It wasn' confined to any particular spot, but wandered over all that area from the neck to the small of the back. Sharp, shooting twinges and dull, gnawing aches finally stiffened out my muscles and left me so hepless I had to give up work and go into the hospital. I stayed there three weeks and felt better. Still I wasn't cured and as soon as I started back to work again the pain was as bad as ever. "I fortunately read of the strange powerful effect Nervi-

ine has over such pain NERVILINE and at once I got five bottles. Four times ALL PAIN each day Nerviline was rubbed over the seat of the pain and I could feel it sinking deep into the muscles and sinews that were stiffen ed and sore. In a short time I was
