FORFEITS GAME TO HYMAN TEAM

Dicision and He Refuses To Leave After Being Ordered Exhibition Before That.

The W. O. B. L. game at Tecumseh Park on Saturday between Hymans and Woodstock was awarded to the Tanners in the eighth inning by Umpire Gate-cliffe as a result of the conduct of Pitcher Ward, of the visiting team. Ward was ordered out of the contest in the eighth after he had become abusive to Gatecliffe. Woodstock was leading at the time, but Hymans were at bat and had the appearance of starting a rally that would overcome the visitors' lead. Jeffries hit a hard liner at Pitcher Ward and the latter just managed to touch it with his hand, deflecting it so that Shortstop Thompson was able to grab it up and throw to ish Empire. Up to that moment it first base. Jeffries had the throw heaten a mile, and Gatecliffe called him Ward became peeved at this and no polite terms in doing so. Umpire an old Bisley man. Umpire Gatecliffe then ordered him out of the grounds. Ward also refused to leave the grounds. There was nothing left then for the official to do but forfeit the game to London, and this he promptly did.

The game was a good one up until the dispute occurred and it was any-body's victory. Gillies and Ward were pitching good ball, although the former was being touched up rather freely

ST. MARYS OUTCLASSED LOCAL LACROSSE TEAM

Visitors Defeated Tecumsehs on Saturday by Score of 9 to 3 in Fairly Good Exhibition.

The St. Marys lacrosse team out-Plassed the local O. A. L. A. intermediates in a game at Teeumseh Park on Saturday by the score of 9 to 3 The game was fast in the first half, but towards the last the locals were outplayed and all in before the finish.

The St. Marys team is much stronger on team work and shows a better knowledge of the game than London. Both sides roughed it a trifle and many penalties were handed out by Referee Allen Kinder. A couple of players were injured during the game, but not seriously.

St. Marys Started Scoring.

St. Marys opened the scoring in the Irst quarter, London putting up its best article of lacrosse in this period. At the end of the quarter the visitors were leading by the score of 4 to 1. London failed to score in the second puarter, but St. Marys added three more, and made the score 7 to 1 at half time.

The third quarter was more close than the previous two, and London played a nice game at this stage. Both teams scored two goals in this period, but in the final period the players let Scots, 325; Private Carr, Civil Service, up and neither team located the nets. > Bisley Camp, July 27.—Private W A. Hawkins, of the Forty-eighth Highlanders, Toronto, Canada, yesterday, won the King's prize for rifle shooting, carrying with it \$1,250 in cash, the National Rifle Association's gold medal and a gold badge.

Ommundsen was top of the list after the second stage of the match.

He said last night that his rifle might not hold out long

At the seventh shot at one thousand yards Ommundsen was leading by two points ahead of Hawkins. Deneau Banished for First Time in His Long Career

When Rube Deneau was ordered from the game at Ottawa on Saturday for protesting against members of the Ottawa club using licorice on the ball, thereby hindering Heck from throwing his famous spitter," it was the first time that anything like that ever happened him. Rube has been playing ball for a good many years, and he has maintained a record that probably no other ball player can equal.

And even at that, his first time, he was merely protesting, rather strenuously, it will be admitted, against one of the meanest and dirtiest tricks in baseball. If it is true that Ottawa resorted to that method of winning the game, and practically every player on the Loncan team says it is, not only the club should be fined, but the man who used the licorice should be suspended from the game until he learns to become a better sport and an easier loser, for Ottawa would surly have lost the game had Heck been able to finish in the box.

GUELPH SCRIBE CLAIMS BEHAN IS BETTER SHORTSTOP THAN DUNLOP

The Guelph Herald in a recent issue claims that Behan is a better shortstop than our own George Dunlop, and quotes figures and "sich" like to prove the assertion. The Herald also claims that Behan is worth twice as much as Dunlop to any big league club.

No matter whether the Herald's figures are authentic or not we will leave it to any fair-minded fan or baseball writer on the circuit that Dunlop is the best player of the two, and one most likely to make good in fast company. We do not deny that Behan is a good shortstop. We class him as the second best in the league, but he is not the finished player that Dunlop is, nor is he as brilliant or as heady a player. Here is what the Guelph Herald says:

Up in London the baseball fans are crazy about the work of Dunlop, their shortstop, and are publishing bogus offers of \$1,500 for They can talk about their Dunlops all they like, or any other shortstop in the Canadian League,

but the fact remains that they all have to doff their hat to Peter Behan, who is holding down the same position for the Leafs. Behan is without doubt the best player in this position in the league. He covers more ground, is surer on ground balls, has a throwing arm that cannot be surpassed. His hitting is not that of a slugger, but Behan is a timely hitter and he will improve in this department. At that the averages show that he has it all over Dunlop at all stages of the game. If Dunlop is worth \$1,500, Behan, on the official figures, should be worth \$3,000. The scouts should take a look at this boy before they grab any Dunlops. The figures are as follows: Batting. A.B.
