HYLAN DEFEATED IN PRIMARY VOTE

Campaign Manager Declares There Will Be No Third Ticket.

Associated Press Despatch.
New York, Sept. 15.—Mayor John F. Hylan, stormy petrel of New York politics for the last seven years, was defeated for re-nomination in today's primaries by State Senator James J. Walker, Tammany designed, by a majority of over 60,000 with about two-thirds of the vote counted. Walker gained steadily all night, and metropolitan newspapers predicted his plurality would finally reach 100,000.

Hylan's defeat was conceded by John H. McCoey, manager of the Hylan campaign, who also issued a statement declaring that there would be no third ticket. Mayor Hylan himself could not be reached for a statement.

The Republican contest proved a walkaway for Frank Waterman, pen manufacturer, the regular organization candidate, who was leading William M. Bennett and John Lyons, insurgent candidates, by an eight to one basis.

PAPERS TO BE SIGNED FOR BABY IN DISPUTE

Nashville Woman On Way To London To Take Out Documents.

Associated Press Despatch.
Detroit, Sept. 15.—Mrs. Margaret Wright of Nashville, Tenn., was released from police custody today, and is on her way to Canada with the baby she obtained from a maternity home in London, Ont., to obtain legal adoption papers for the child. Mrs. Wright was arrested last week when suspected of kidnapping the child, which she steadfastly maintained was her own.

A letter was received today from Chief of Police Birrell of London, stating that he was satisfied Mrs. Wright had obtained the child in a regular manner. The child, he said, was born in Victoria Hospital, Toronto, May 25 last, but the parents were too poor to care for it. Mrs. Wright intends to take out formal adoption papers and return to Nashville, Tenn., her former home. She is accompanied by her mother, Mrs. Elizabeth Webb, who came to this city when she was advised of her daughter's trouble here. Mrs. Wright is separated from her husband.

Heavy Snowstorm Halts Prince In Crossing Andes

Royal Train Stopped by Slides Twelve Miles From Summit.

START AGAIN TODAY

Associated Press Despatch.
Los Andes, Aconcagua, Chile, Sept. 15.—A storm raging in the Cordillera prevented the Prince of Wales from crossing the Andes this morning. He was on his way to Argentina, but had to turn back.

The prince left Valparaiso last night after some delay, owing to heavy snow in the mountains, and reached Los Andes, the Chilean terminus of the trans-Andean railway, about 6:30 this morning.

Rain was falling heavily, but the line was reported clear. As soon as the special train began to take the grade the rain changed to snow, and at Juncal station, on the Argentine border, 6,750 feet altitude, which was reached about 10 o'clock, it was evident that the train was not going to get through without considerable difficulty. It proceeded, however, and about twelve miles from the summit of the pass a gang was sent ahead to clear the road, while the train was backed into one of the numerous shelters constructed on the mountain side as a protection against blocked lines by the fall of masses of snow.

Shortly after the train returned to Juncal with the idea of attaching a snowplow, but it was finally decided to go back to Los Andes, in the hope of making a fresh start tomorrow morning. Snow had been falling steadily all morning, and the pilot train, which set out a short time before the royal one, got through, but snowslides blocked the road between the two trains. Los Andes was reached at 3 o'clock in the afternoon. The prince witnessed a thrilling incident while walking in the streets of Los Andes after the return of his train. He was passing a shop, but stopped to watch an affray between two men. One of them drew a knife and stabbed the other. The wounded man fell to the ground, but, rising quickly, hurled a large stone at his assailant, then collapsed and was assisted to a hospital. The man with the knife was arrested.

LOW RATES FOR GRAIN ARE EFFECTIVE TODAY

Reduced Transportation Costs For Westbound Wheat Now in Force.

Canadian Press Despatch.
Ottawa, Sept. 15.—Reduced rates on grain and flour moving westward to Pacific ports for export came into effect today. The new tariffs, which became operative today in accordance with the order of the board of railway commissioners of Sept. 2, are the same rates, proportioned to distances, as grain and flour would carry if moving eastward for export.

While up to a late hour tonight the new tariffs had not been filed with the railway commission by the Canadian Pacific and Canadian National railways, it is understood these printed tariffs have been actually transmitted from Winnipeg, and should be received here in the course of the next day or two. The delay in filing the new tariffs is believed to be due to the short interim which has elapsed since the issuance of the board's order in which to prepare the necessary printed tariffs. The new rates, however, automatically come into effect today. It is definitely stated at the railway commission, irrespective of the fact that the new tariffs have not yet been filed.
