HOPETOWN

Mr. Fred Robinson is visiting his home here. Mrs. Beach McLellan is visiting her parents, Mrs. and Mrs. Robert Fowler. The Sunday School workers at the Episcopal Church intend having a Christmas tree entertainment on Tuesday evening in the Church Hall. Mr. John D. Ross, Jr., who has been confined to his home for a few days as the result of a cold, is out again. Quite a number of our young men came home from Mr. J. A. Thompson's camp for their holidays and boarded this as an sporting event. The proceeds are to go to the purchasing of a large up to date stove for the school. A very pleasing feature of the event was the almost entire absence of any indication of the wakening traffic. Those interested in the Spiritual, as well as social side of our young people, take courage and are thankful. Result of the Christmas Examination Hopetown Public School. Leaves No Streaks. With ordinary soap you wash—then spend nine-tenths of your time rubbing and polishing—that is if you are extra particular and can't take the time. When you wash your windows, for instance, little streaks of dirt seem so hard to get off—it's really the soap—not the dirt—that's the trouble. With Taylor's Borax Soap you wash and rinse, dry once and your glassware sparkles like crystal. It's all in the borax—the way Taylor blends it in. Taylor's Borax Soap.

Taylor's Borax Soap. The soap removes the grease—the borax removes the soap—and there you are! It's fine for woolsens, too. It positively will not shrink them.
