Under an Assumed Name.

Says the Charlottetown Examiner: "The St. John Telegroph, a short time ago, stated that it was believed there that the black mare Nellie T. which trotted and took good mare Nellie T. which trotted and took good positions in the 3-minute and 2.50 races at Woodstock and Fredericton was none other than the black mare Mand R., record 2.40\frac{1}{2}, owned by W. F. Robins, of Charlottetown. Mr. Robins informs us that the Telegraph was correct in supposing that Nellie T. and Mand R. were one and the same, but says he was not in any way responsible for the contemptible trick. He says that several months are he placed the mare in the heade of \$6.41\frac{1}{2}\$. The boat which present that the heade of \$6.41\frac{1}{2}\$ much of a mystery as ever. The boat which contained the dead bodies of the men was found in the vicinity of one mile from Mc-Mann's which, which would leave the impression that Elliott and Tower had rowed by the same in the heade of \$6.41\frac{1}{2}\$. whole proceeding. He feels quite sore over much water in it, Capt. Syphersays, can't be the contemptible business and will probably give Mr. Slipp a piece of his mind at the first opportunity."

A Question of Wine Sauce.

straightened the matter out. He entirely of the boat on the morning it was discoverrepudiates the recipe, and wishes it understood that he "does not indulge in puddings or pies, or any other kind of pastry flavored with liquors." We can readily understand Mr. Pitta' annoyance at the occurence, but the mistake was quite a reasonable one. Mr. J. C. Risteen & Co. are erecting a large dryhouse to give additional room for their lumber.

The Foresters of St. Marya have erected a new hall, and cocupied it last night for the life time.

The Foresters of St. Marya have erected a new hall, and cocupied it last night for the life time. the recipe. Its offence seems simply to have been, that it bobbed up sevenely in the wrong place, choosing a field of readers where it could do the most business.

Nashwaaksis Doings-

How a rural swain disposed of a rival.

A young countryman who had long loved a girl who lived a mile or two from him was nearly in despair about winning her hand, and was on the eve of selling out and leaving the country, as the girl had refused him three times, and it was out that she was engaged to another fellow. Our hero had noticed very efficient executive committee have the matter of arrangements in hand, and although that his rival and the girl would walk in an the society has only been in existence two weeks, there are quite a number of members in attendance, beside a larger number of visitors. The society meets weekly, on Friday evenings McFarlane's Carriage Factory which has turned out during the summer A son of W. H. White at Gibson, Thurs-quite a large number of carriages with a large number of good heavy wagons, is now W. Railway cars.

The Woodstock Press comes to us in an enlarged form and gives other gratifying swidence of continued success. into the meadow, bide himself and see his rival tossed like a football. So, one afternoon, calling to Dave, who would follow him like a dog, he repaired to the meadow let the fence down and turned the bull in. He then strolled off, and walked around as miserable as a man could be who was committing an evil deed. An hour or so later he heard the deep mutterings of the bull and, bastening to get the girl to run, but she was so terrified that she could not move. The bull made a gentleman from Nova Scotis. dash and the fellow ran shricking for the A Queen Hotel Incident:

There was intense excitement around the Queen Hotel stables this morning, when it was discovered that the stop cock of the water works in the cellar had burst, innundating the cellar to the death of survey of the cellar to the cellar to the death of survey of the cellar to the death of survey of the cellar to the death of survey of the cellar to the ce

between the University and St. John teams. dating the cellar to the depth of several feet. pursuing the other man, returned and went resulted in a draw, each club securing a gcal. It is in that department that Mr. James to licking his hand, while the indignant girl Mr. R. A. Estey has three electric lights | Christie, who is an enthusiastic pig fancier, vowed she would never more speak to a man keeps his stock, and when the flooding was that was afraid of a discovered, the first thought of Mr. Edwards, Mr. Christie, more particularly, and the entire hotel staff, was for the safety of the swine. Donning a pair of long rubber boots and an improved diving apparatus, Mr. Edwards made his way to the flooded district, and went prospecting for pige, while Mr. Christie and his lieutenants stood nigh to receive the corpees. The water, however, had not done its work. The pigs were thoroughly saturated, so was Mr. Edwards, before he got through the job, but their awiquehips after a large amount of vigorous paddling around the cellar, closely followed by Mr. Edwards, were rescued from a watery grave, and the Queen Hotel boarders from an indefinite quantity of premature pork. Mr. Burchill, the Water Hotel boarders from an indefinite quantity of peratively necessary. A new pattern has premature pork. Mr. Burchill, the Water Works Superintendent, whose assistance was called in to restore the water pipe to its original condition, says it was great fun to see Mr. Edwards on the trail of the swine. The only disaster was the loss of one rubber the first time to learn its use. The inade-

The University Lecture Course.

stock Methodist church. It is reported that Rev. Mr. Read of Marysville, will be tendered an invitation to Charlottetown.

The musical critic of a city contemporary says that a pertain soprane in a certain church Sunday night, took the obligator to the choruses, which she sustained with a heartiness and beauty that was pleasing to listen to. The railway bridge piers were completed Saturday last, we been delivered last Friday night. It saturday night, and Mr. Hogan is receiving credit for accomplishing a great work in a warv ahort time. The superstructure which

The University Lecture Course.

(To the Editor of the Farmer.)

SIR,—In an item which appeared in the Gleaner of Saturday last, we, or the students generally, are blamed for neglecting to announce the postponement of the lecture, which (according to the Gleaner) ought to have been delivered last Friday night. It also states that many cRizens were inconvenient for the fact that she lacked both suitable powder and bullets. It is only recently that she has succeeded in producing a powder.

The railway bridge piers were completed Saturday night, and Mr. Hogan is receiving credit for accomplishing a great werk in a very short time. The superstructure which is now being manufactured at Lachine will be put on in March.

The old residents of Fredericton are being gathered to their fathers. The ages of Mrs. Wheeler, Mrs. Caldwell and Mr. Parker, who have died within the past month were repectively 95, 90 and 90, aggregating 275 years, or an average of 912 years.

A marble tablet to the memory of the late Rev. Dr. Brooke, has been erected in St. Paul's church. It was finely executed by Mr. John Moore. The memorial tablet to the late Mr. Taylor, which had a place for meany years in old St. Paul's, has been removed to the new church.

The superstructure which is in the fact that she lacked both suit-venients of the students, while we do not, as a rule, notice every statement, however unreliable, which appears in that paper, we feel that in this matter it is but just to ourselves and to the public on this hould be known. Any inconvenience which may have happened to the public on this occasion, was not caused by us, but by the may have happened to the public on this occasion, was not caused by us, but by the Gleaner that the next lecture of the course would be delivered on last Friday. At the conclusion of our first lecture, it was distinctly an nounced by Dr. Harrison, as afterwards distinctly subjected to the new church.

The Rubbers and Overshores.—During this Fall and Winter, you will find Nelson Campbell leading the trade in this line of goods. Go in and see his splendid assortment, and yon will know just where to find the work of the statement, and would certainly have done so, had we observed it time.

The all and Winter, have in the subject of the statement, and would certainly have done so, had we observed it in time. We do not care, howwere to be into the fact that she lacked both as the subject of six times the strength of six times the strength of six times the strength of six times the strength

J. B. SUTHERLAND, D. L. MITCHELL, C. P. STERVES. Committee of Management for the U. N. B. Lecture Course. Fredericton, Nov. 22, 1877.

Fredericton Choral Society The members of the Choral Society met Bev. Wm. Dobson conducted the funeral on Tuesday evening in the Council Chamber exercises of the late Geo. Thompson, Thurs- of the City Hall, for the transaction of busiday afternoon, and among the mourners was nass. It was unfortunate that appointments Slason Thompson of Chicago, Tyler Thompon, E. R. Moore and Alex. Thompson of St.

John, Hon. A. G. Blair, Hon. F. P. Thompon, W. Wilson, M. P. P., and A. G. Blair, by those present in the welfare of the society, and the hone confidently averaged of a large.

THE GRAND LAKE TRAGEDY.

The uncertainty surrounding the deaths of Tower and Elliott.

was present, and he found the real cause of offer. temptible trick. He says that several months ago he placed his mare in the hands of "Al" pression that Elliott and Tower had rowed that during the summer they wrote him repeatedly about the mare's success at Fredericton and Woodstock, but never so much as hinted that they were sailing under false colors—that the mare was trotting under an assumed name. Had they done so he would at once have called a halt and exposed the whole proceeding. He feels (mite serve over the boat. How the boat came to have so much water in it. Cant. Sypher says, can't be repeatedly about the mare was trotting under an assumed name. Had they done so he would at once have called a halt and exposed the whole proceeding. He feels (mite serve over fectly calm. The boat was a light one and if one of the men had fallen out, he could not, Somebody played a mean trick on Mr. Pitts the other day. While he was absent in St. John, the Temperance Journal of which he is editor and proprietor, was issued to its patrons, who were horrified to find in prominent position in the paper, a recipe for making wine sauce. Mr. Pitts however has patraightened the matter out. He entired ed. As far as could be learned the last per-sons who saw the two alive were men in the Ducks,

tender, or some other persons who saw these men just before leaving the steamer. A Significant Fact. A LOVER'S STRATAGEM.

At the residence of Charles McGibbon Douglas, York County, on the 16th inst., by the Rev. Wm. LeB McKiel, A. B., Rector, and he grew madly jealous. In his cattle he had a young bull that was always mad with everything but his master, because he was an especial pet. Now Dave, as he called the bull, was to be the object with a bull that was to liana McFarlane of Lincoln, Sunbury County
