ecorge rine, who used to since here as a Globe reporter, is in hot water at Winnipeg, where he is secretary of the public school board. The teachers accuse him of incivility and officiousness and an investigation is in progress.

Perhaps the most extraordinary success that that been achieved in modern science has been attained by the Dixon treatment for catarrh. Out of 2000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn mailady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the themselves to the regular practitioner are benefitted, while the patients presenting the most remained to the issues, Mr. Dixon at once adapted his cure to their externing when it is remembered that not five themselves to the regular practitioner are benefitted, while the patients presenting the most remained to the results and the present extended to the results and the pre

Bright Lights at the People's formance at the People's last night was greeted with a crowded house. The com oany comprise a number of clever artists, and the whole show was well received and and the whole show was well received and many of the performers recalled several times. Among the special features, Flynn and O'Brien in colored comedy, Golden and Drayton in their laughable eccentricities, Harry La Rose's club-swinging and Prof. J. E. Kennedy's feats in mesmerism, are worthy of special mention. Bright Lights will occupy the boards for the week, with Wednesday and Saturday matinees.

off to Salt Lake City. Graham H. Macpherson, the genia clerk at Milloy's wharf, who has lately been appointed to a lucrative and impor-tant position on the Union Pacific railway at Salt Lake city, was dined at the Rossin house last night by about forty of his friends. The chair was occupied by T. W. Jones. During the festivities a gold locket with diamond setting, accompanied by a handsomely illuminated address was pre-sented to the guest of the evening. Macsented to the guest of the evening. Mac, in his departure for his new field of labor carries with him the best wishes of a large

circle of friends and acquaintances. Trinity Medical School. The dinner having been a success, both professors and students bear a look of con-

tent, and we now expect all to settle down The young ladies of the Ladies' medical college have now no just cause to complain of the manner in which they are treated when visiting the theatre of the general

THE MAN DRESSMAKER, And the Inventor of Moody's Newand Perfect TAILOR SYSTEM

OF SQUARE MEASUREMENT For Cutting every garment worn by lady or child WITHOUT THE USE OF PAPER OR PATTERNS, which without a doubt is the only system ever invented that will cut a gar, ment tofit any and all forms. That the ladies of Toronto and vicinity may be thoroughly satisfied that Moody's System of Dress Cutting is all we claim it to be WE NOW OFFER \$100 for a lady that cannot be fit perfect by MOODY'S SYSTEM without changing a single stitch and without the use of paper or patterns and AS STILL STRONGER PROOF of our faith in MOODY'S SYSTEM, we will cut and make a complete dress for any lady in Canada without trying on AND GUARANTEE A PERFECT FIT or make no charge whatever for our material or making.

material or making.

WE ARE ALSO DESIROUS OF CALLING your attention to the fact that we will take a few more students this week, and those who desire to learn Moody's System in all its Branches, should call at once and make their arrangements for learning, OR YOU MUST PAY the advance which we will make the early part of the coming week.

WE ARE NOW POSITIVELY TEACHING FOR ONE-HALF OUR REGULAR PRICE, and to those who only wish to learn to cut and make their own clothing, Moody's System is cheap at four times the price. We charge you for a full course of teaching a complete system. System is cheap at four times the price. We charge you for a full course of teaching a complete system.

WE ALSO DESIRE TO SAY that we give all our students the option of coming to the school all day until they complete their course of instructions, or they may come only one hour a day or only two or three times a week, just as they may be suited.

WE ALSO GUARANTEE to teach you to cut and make every garment worn by lady or child or make no charge whatever for our trouble while teaching you.

Trusting you will call at once and make arragements for learning Moody's new and perfect Tailor System of Dress Cutting we remain yours, most respectfully,

D. W. MOODY & CO., 102 KING STREET WEST.

P.S.—For the present those learning Moody's System will receive their Prof. D. W. Moody himself.

DRESSMAKING. Ladies, we have now enlarged our Dressmaking and Mantle-Making Department and we are now fully prepared to execute better work, later style. We will positively give you a better fitting garment than any other house in the city and for less money.

GIVE US A TRIAL order and see what we can do. The Best Bressmakers in the Land come to us for instructions and have for years looked to Prof. D. W. Moody as being the highest authority in all the branches of dress cutting and dressmaking.

WE ARE NOW MAKING many new and elegant designs in Mantles and Cloaks that are not made by other houses, and we guarantee to give you perfect satisfaction in every respect. WE ALSO have a special department for cutting, stitching and preparing garments so you can take them home and finish them for one-fourth the regular price charged by other houses. houses. WE ALSO DESIRE TO SAY in conclusion that WE ARE FULLY PREPARED TO QUICKLY AND ACCURATELY EXECUTE any and all classes of work pertaining to our profession, therefore we trust that you will not hesitate but that you will call and see us at once. Bring your goods with you, or if you desire we will supply the material for any garment you may want, at a lower price than you can buy the goods for yourself.

PROSPECT

WEGOTIATIONS IN PROGRESS BE-TWEEN FRANCE AND CHINA.

Debate in the Deputies on the Tonquir Credit Bill—The Chinese Calmi

London, Nov. 25 .- A Shanghai despate says the action of the French has drive China to reopen the Tonquin question, an it is asserted she will ask England to med ate. The secretaries of Prince Li asse that they saw Captain Fournier, who n gotiated with the Tien Tsin treaty. France, make erasures in the treaty. Pekin correspondent telegraphs that t British minister to China is inactive, a the breach is widening between China as France. The Tsung Li Yamen is calm confident of China's power, and has deci ed to reject Fournier's May convention the basis for negotiations. It will reop

the whole question. Waddington, French ambassador, s Marquis Tseng are conducting negotiation through Granville which give some pron that a peaceful settlement of the disp between France and China have b reached. The main points of the agre ment which would be satisfactory to Chi and France are known to both diploma These indicate that both countries m make large concessions. Chiaa repudia all responsibility for the Langson affa brid will make honorable concessions. France to secure a peaceful settleme England will be satisfied if she can be the secure of the s

france to secure a peaceful settlemens England will be satisfied if she can be imeans of restoring the former according tween France and China.

PARIS, Nov. 25.—In the chamber of duties to-day the debate was resumed on Tonquin credit bill. Freppel defend the government and advocating color expansion, said it behooved France a great maritime and civilizing power possess colonies. He contended that conquest of Tonquin was worth the safices it demanded. De La Forge opporthe bill and declared the Chinese quest unworthy the sacrifice of a single Fresoldier. He considered the colonial poof the government as being out of the question while the previnces of Alsace and I raine were in the hands of foreign Granel (republican) and others prette government to make clear statem of its intentions regarding the Chinquestion.

The Congo Basin Defined. BERLIN, Nov. 25 .- A definition o Congo basin has been adopted by the mittee of the Congo conference. It is tually recommended by Stanley, coming all the centre of Africa and the wes littoral, extending from the river south to Sette, close to the French Gairontier on the north. The definition of the central to be adopted. The cipal difficulty will then be to settle o French claims to Stanleypool.

Two hundred and seventy-five gattended a banquet tend-red Stanley night by the geographical and anthropical societies. Stanley, in the conrespect relating to his travels in Administration of the said the welfare of Africa depended supon christianity and civilization.

A Lord's Daughter on Board Was London, Nov. 25.—The World sev attacks Lord Coleridge in connection the recent litigation. It says the only the motherless daughter of an upright eloquent judge, to whose lips the h sentiments spring from a guileless chivalrous heart, was on board wag her father's house on the same footing scullery wench. The World tells tressing tale of parsimony, meannes cruelty in the judge's household.
