107; QUEEN STREET WEST. Of Vital Importance.

—It is just as essential that the human body should have pure blood, as that a tree or plant should have sap to nourish and invigorate its growth. Nearly all our bedily ills arise from unhealthy blood. Burdock Blood Bitters purifies this fountain of life, and regulates all the vital organs to a healthy action.

The Strikers.

The men say that there is always consolation and happiness to be had, rain or shine, work or play, morning, noon and night, in fact all the time. Well, you are anxious to know how all that is to be obtained? I will just tell you. They all smoke the General Middleton and Our Brave Boys brands of cigars because they are made of the finest class of tobacco and made by union men and manufactured by w. e. dobson, 159 King street east.

—Upholstering is one of the fine arts. To be a good upholsterer, means that a man must not only be a good workman, but that he must have a certain amount of good tasts. T. F. The Faith Cure.

—This new theory of cure is rapidly growing in fashien but is illogical in reason and science. Faith without works is dead. Those who have faith in Hagyard's Yellow Oil have its good works to assure their faith. It is an unfailing external and internal relief for aches, pains, lameness and screness.
