### GRATEFUL-COMFORTING. EPPS'S COCOA.

BREAKFAST. "By a thorough knowledge of the natural isws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocon, Mr. Epps has provided our breakfast tables with a delicately fixored beverage which may save us many heavy denotor bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maintees are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frams."—Civil Service Gazette.

drossing of the C. div. M. C. R. R., and the N. W. line of the N. and N. W. div. G. T. R., 10 miles west of Cayugs, the county seal. It has been three years incorporated, and the assessment roll for the current year shows a population of 846 and a total assessment roll for the current year shows a population of 846 and a total assessment of 8180,000. The reeve is Jos. Seymour, and the councillors Wm. Stewart, Geo. Smith, Henry Hammond and Wm. Martin. John H. Sooth is cleek and D. Almas treasurer. The churches are four in number, all substantial brick: edifices, and are owned by the Methodists, Baptists, Presbyterians and Anglicans. The public school is a brick building in which four teachers are employed, and high school work is done. S. A. Morgan, B. A., is head master. The Indian reserve is close by, and according to last census there were 3362 of the Six Nations and 253 Missisaugas. Dr. P. E. Jones, son of the historical Rev. Peter Jones, has this home here and is Indian agent. The Doctor has probably the best private museum of Indian relics and interesting curlosities in the country, and also a large library of Indian literature. The rockformation of the county is an interesting one and represents both the Silurian and Devonian systems. From the Silurian and Devonian systems. From the Silurian and sounds in characteristic fosule, a fine collection of which has been made by F. W. Howard, druggist. The village is strenguaged by a good agricult. characteristic fosuls, a fine collection of which has been made by F. W. Howard, druggist. The village is surrounded by a good agricultural country, and has splendid railway facilisies. Timber also abounds, and is supplied cheaply from the Indian reserve, making this a good point for any wood-working industry. It is headquarters for the West Haldimand Agricultural and Arts Association, and with good buildings, grounds and a i mile track, the annual exhibitions are very successful. A weekly newspaper called The Times is issued from aspendidly equipped office owned by the roove, Mr. J. Seymour.

and the business of the second second

The village of Jaryle is located at the crossing of the 3 div., G.T.R.—G.W. air line from been to Hamiton and Georgian Say, and Is as to Simon. Like many of the western towns it is on Talbot-street, and owe its prespective directly to the mainway. The population is estimated at 1000, and a large proportion is retited farmers who have been attracted by the genial climates, good fruit section, excellent schools and churches, and martly by the extremely low rate of taxation Though not incorporated is has all the equipments of incorporated places usually, and everything shows neatness and good taste. Being largely a residential village, fine gardens and orchards abound. A spendic new 2 story brick school house was built this season, and supplied with the Smead-Dowd system of heating and ventilation and all other modern improvements. Five teacher are employed, one of whom does High schoolwork. The churches are 3 in number, the English, the Methodsts and Presbyterian and all are excellent brick buildings. The Presysterias is a handsome building of composite style of architecture and cost
