

FROM THE EARTH'S VEINS TO YOUR VEINS.

WE DON'T CARE if you are skeptical, we care not if you have no confidence, it makes no difference if you give no credence or belief, it matters not even if you lack hope, for, the duty for which it was put into the earth's veins and it can no more help doing it than can man help following his natural destiny—the sufferer can no more resist its action, its power, than can man resist the power of the sun, the tides of the earth itself.

CRUTCHES ARE THROWN AWAY but not through hope, bandages are taken off, but not through confidence, plasters are destroyed, but not through faith. **It is the work the Ore was made for,** the duty for which it was put into the earth's veins and it can no more help doing it than can man help following his natural destiny—the sufferer can no more resist its action, its power, than can man resist the power of the sun, the tides of the earth itself.

IT IS DIFFERENT from anything that has ever before been offered, from those other treatments you have used, as it flows like life through your veins, pure as it came from the veins of the earth and acts in a different manner, cures in a different way. It is different from all others and can be differently offered to those in need—on trial, the user to be the judge—a way sellers of medicine dare not duplicate or copy.

IF YOU WANT IT if you need it, if you are suffering for it, wasting away day by day, for lack of that help and health which it alone can bring to you—**SEND FOR IT!** It will not cost you one single penny if it does not help. Nothing to begin with, nothing at any time if you are not satisfied, if you don't want to pay for it. You are to be the judge!

OLD CHRONIC CASES are those we seek especially. It matters not what you think, what you have thought, what the doctors think or what they would make you think. It counts not a whit what desperate efforts you have already made, what disappointing failures you have already been through—**SEND FOR IT ON TRIAL!** It is different—a trial will prove it, the only thing that can prove it, the only thing that is needed to prove it. A trial will tell its own plain story, a story that will mean comfort, peace, health and happiness for you. You must only first open the book, by sending for it, by beginning its use.

Read This Special Offer!

WE WILL SEND to every sick and ailing person who writes us, mentioning **THE NORTHERN MESSENGER**, a full-sized **One Dollar** package of **VITE-ORE** by mail, **post paid**, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and dopes of quacks or good doctors or patent medicines he or she has ever used. **Read this offer again carefully**, and understand that we ask our pay only when it has done you good and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. **Vite Ore** is a natural, hard, adamantite rock-like substance—mineral—Ore—mined from the ground like gold and silver, and requires about twenty years for oxidation. It contains free iron, free sulphur and magnesium, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as **Rheumatism, Bright's Disease, Blood Poisoning, Heart Trouble, Dropsy, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe, Malarial Fever, Nervous Prostration and General Debility**, as thousands testify, and as no one, answering this, writing for a package will deny after using. **Vite-Ore** has cured more chronic, obstinate, pronounced incurable cases than any other known medicine, and will reach cases with a more rapid and powerful curative action than any medicine, combination of medicines, or doctor's prescriptions which it is possible to procure.

VITE-ORE will do the same for you as it has for hundreds of readers of **THE NORTHERN MESSENGER** if you will give it a trial. **Send for a \$1 package at our risk.** You have nothing to lose but the stamp to answer this announcement. **We want no one's money whom Vite-Ore cannot benefit.** You are to be the judge. Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try **Vite-Ore** on this liberal offer? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. **We mean just what we say** in this announcement, and will do just as we agree. Write to-day for a package at our risk and expense, giving your age and ailments, and mention **THE NORTHERN MESSENGER**, so that we may know that you are entitled to this liberal offer.

YOU ARE TO BE THE JUDGE.

MAKE THE EFFORT WHICH MEANS YOUR CURE.

Nothing is so pitiable to witness as wrongly applied effort, particularly so when the effort thus put forward is earnest and persistent, of a kind that, placed in a proper channel, would be productive of the results sought after. Especially is this true of the attempts of sick and ailing people to secure a cure for their ills, many wasting some of the best years of their lives in an effort along the wrong direction, lives that are made miserable by a protracted disorder that apparently defies all efforts to eradicate it. They will apply themselves diligently to the treatment, will follow it and dose themselves day after day with a determination and spirit that is, indeed, commendable, but the effort is misdirected and nothing but additional and prolonged distress comes of it.

The trouble is, that they are treating the **SYMPTOMS**, the external evidences of a disturbance within, and not the **CAUSE** which brings it about. They deaden the immediate discomfort by drugging with narcotics and preparations which depend for temporary efficacy upon a narcotic influence and are doing nothing to get at the fountain head of the trouble, which remains in the seat, undisturbed and unconquered. Thus it is that the treatment is kept up, week in and week out, month after month, year after year, the sufferer always seeking a cure and not realizing that what he is seeking lies in an entirely different direction. Doctors diagnose the case, question as to the symptoms and treat the symptom instead of investigating for the cause, and having discovered it, taking proper steps to remove the wrong condition which makes it possible. Patent medicines, too, are placed on the market and advertised to treat the symptoms, to relieve this and that outward manifestation of an inward abnormality, while the **CAUSE** goes merrily on, causing more and more symptoms as time progresses, more work for the doctors and more sales for these so-called medicines.

Vite-Ore treats the **CAUSE**, not the symptoms. It gets into the veins, courses through the vital organs, doing its good work in each, setting each to rights and by so doing removes the inward disorder itself. It is a **CURE** and not merely a check for a time upon the outward physical manifestation of that disorder. This is one of the reasons for the absoluteness and permanency of its cures, the principal reason for the wide range of symptoms it causes to disappear. Many different symptoms and local disturbances can be attributed to one particular lesion, one fundamental lack of functional activity that is primarily alike in many separate cases, accounting for the ease with which **Vite-Ore** effaces such different symptoms by the perfect removal of these underlying and controlling causes.

Health Completely Broken

**Suffered for Twelve Years—
Now Well and Strong.**

I shall feel grateful every day of my life for the great benefit which I and my family have derived from the use of **Vite-Ore**. For twelve years I suffered from a complication of troubles caused by overwork.

My health was completely broken and my blood was in a severely anaemic condition. I suffered each year from La Grippe during the cold, damp seasons. I consulted a good physician, who said that what I needed was at least a three years' rest, but with three little children and a home to take care of, that, of course, was out of the question, so I resorted to the use of medicines. Besides my other troubles, I also suffered from Piles, and my doctors told me that this condition could not be cured. I tried numerous advertised patent treatments, as well as a great deal of doctor's medicine, but what little relief I secured was only temporary, and after a while I got so used to drugging that I received no benefit whatever, no matter what I used. **Vite-Ore** has completely cured me. I am now well and strong, and have been so for months. We find it also an invaluable home remedy, excellent to prevent blood poisoning, boils, etc., and it is a quick healer for coughs, burns and bruises. It is also splendid in throat troubles and catarrh. I always intend to keep a supply on hand and it is the only thing we need in this house.
