Many of our subscribers are dilatory in sending the cash for their renewals. And some, when they do remit, say they have been waiting for their bills. Please do not wait. The number on the printed tag gives the date of the time of renewal. Please remit at once, and save us needless delay, expense, and trouble.

SPECIAL NOTICE.
 In consequence of the new Postal law—which requires that the postage on all publications shall be prepaid at the office of mailing instead of at the office where they are received—we have to request our subscribers, in remitting for advance payment, to add 25 cents for our year's postage. This arrangement, of course, will not add to the present price of subscription, and will be a convenience to subscribers.

Advertisements to secure insertion the same week, must be in our office not later than 2 o'clock p. Mondays.

We take pleasure in announcing that Mr. C. Porter Sumner has assumed the General Agency of THE CHURCH JOURNAL for the Diocese of Long Island, and will at once commence a thorough canvass of the entire island.

We feel assured that we have at last secured, in Mr. Sumner, the services of a gentleman whose social character and business qualifications will commend him to all with whom he may have dealings, and secure the attainment of the object we have long had in view.

That object is to present the claims of THE CHURCH JOURNAL directly and personally to each of its well-wishers in the Diocese, and also to afford our subscribers every facility for the transaction of business with us. Mr. Sumner's plans for these purposes have, we are happy to say, the cordial approval of the Bishop and clergy generally of the Diocese, and we doubt not will result in much benefit to the cause which THE CHURCH JOURNAL upholds, and the interests of its friends.

Until the 1st of May, the office of the General Agency for the Diocese of Long Island will be at No. 42 Court street, opposite the City Hall, Brooklyn, where Mr. Sumner will be happy to meet and confer with our friends and patrons, to whose good offices we cordially commend him.

ATTENTION IS DIRECTED to the advertisement of Ellwanger & Barry, Nurserymen, Rochester, N. Y. As is well known, they are the largest and most successful growers of Fruit and Ornamental Trees, Shrubs and Plants, in the United States. Parties wanting anything in their line, will do well to send for their Illustrated and Descriptive Catalogues.

Get the Genuine Article.—The great popularity of Wilbur's Compound of Cod Liver Oil and Lime, has induced some unprincipled persons to attempt to palm off a simple article of their own manufacture; but any person who is suffering from Coughs, Colds, or Consumption, should be careful where they purchase this article. It requires no puffing; the results following its use are its best recommendation, and the proprietor has ample evidence on file of its extraordinary success in pulmonary complaints. The phosphato of lime possesses a most marvellous healing power, as combined with the pure Cod Liver Oil by Dr. Wilbur. This medicine is regularly prescribed by the medical faculty. For sale by A. B. Wilson, Chemist, Boston.

REV. AUGUSTUS MOORE FLYTHE.

The Rev. AUGUSTUS MOORE FLYTHE, Deacon in charge of St. Thomas' church, Croton county; St. Mary's church, Knistnot; and the church of the Holy Innocents, Lenox county, N. Y.; died at the residence of the Rev. E. M. Forbes, New Bern, on Thursday, Feb. 19th, after a lingering illness, of pulmonary consumption. The subject of this notice was one of our most zealous and self-denying clergymen. He had a hard and difficult field of labor, and there is hardly a doubt but that his faithfulness to his duties was the cause of his death. During the winter time—on account of the bad weather, which caused the streams to rise so that he could not use a conveyance—he has been known to walk several miles to the depot, wading through water in order to keep his appointments. The love of Christ constrained him to work as long as he could. For some time before his death he was unable to officiate. He bore his sufferings patiently, until at last he received his summons to exchange a life of suffering for one of joy and peace. He rests from his labors.

The increased accommodation obtained by the removal of the above institution to its new premises, enables the Trustees to extend a larger measure of relief and Christian aid to Poor Consumptives than heretofore; and the Board confidently appeals to the public, to support a charity which, unsectarian in its management, and absolutely free to patients, attempts a work provided for by no other institution in this State.
