JOHNSTON'S FLUID BEEF

Is generally looked upon as a winter beverage, when, in reality, its strengthening properties are perhaps more requisite during the hot months of summer, when our appetites fail us—we do not feel inclined to eat anything; and yet we require something to keep up our strength. By taking two or three cups of Johnston's Fluid Beef during the day, it will be found to strengthen, refresh and nourish the system, and supply in every respect the place of meat diet.

HER MAJESTY'S JUBILEE.

The Publisher, at an immense expence, has succeeded in producing a Fac-Simile Copy of the Coronation

Number of "The Sun" Newspaper

as printed fifty years ago, in commemoration of Her Majesty's Jubilee. It contains a beautifully executed medallion portrait of Queen Victoria, a graphic narration of incidents connected with the Coronation Ceremony and the State Procession from the Queen's Palace to Westminster Abbey; a description of the Royal Robes, Regalia and Jewels; together with interesting anecdotes connected with the Coronation of the English Kings and Queens from the time of William the Conqueror to King William the Fourth.

It is printed on paper specially manufactured to imitate the old-time appearance of the original; engravers standing on the highest pinnacle of their art have been employed on the medallion portrait and other engravings; and special type has been imported to present as far as money and mechanical ingenuity will accomplish an exact reproduction of the original.

The original edition, published in London on the 28th of June, 1838, exceeded a quarter of a million. The first issue of the Canadian edition will be twenty-five thousand, of which the greatest portion will be consumed by telegraphic orders from England and the U.S.

Thousands will buy it to mail to their friends. For an original copy \$50 has been refused. In order that it may be within the reach of every one, the retail price has been placed at the low figure of 10 cents.

ST. LEON WATER TRANSFER.

FELLOW-CITIZENS—We will ever warmly reciprocate your unbounded support in placing orders for St. Leon Water. So enthusiastic that it stirred up the populace to the furthest bounds of our Dominion Westward.

Overwhelmed with these orders from outside points. Rolling stock inadequate to convey the water. We therefore have made over to Mr. James Good & Co., and interest in the St. Leon Springs, to all the water he can dispose of in the city of Toronto, or to any point unsupplied. They to act sole agents in our place and stead. We kindly crave for them a continuance of your liberality.

Feeling certain that this change will be highly gratifying to all, Mr. Good's name being a safe guarantee that your orders will in future be attended to with strict punctuality; in which your humble servant, endeavoring to do our utmost, had very often to disappoint you.

Adieu, Bon Ami.
