Household Hints.

TO THE DRAF.—A person cured of Deafness and noises in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to NICHOLSON, 30 St. John Street, Montreal.

POUND CAKE.—One pound of sugar, one pound of butter, one pound of flour, eight eggs, two teaspoonfuls of baking powder, and lemon flavouring to suit the taste.

HOT FRUIT IN JARS.—If an ordinary glass fruit jar be set on a towel which has been thoroughly wet with cold water, hot fruit may be poured into it without any danger of it breaking. The jar needs no further preparation.

MINT SAUCE.—Remove the leaves from the stalks of a whole bunch of mint. Cut in fine bits and place in the sauce bowl. Bruise with three teaspoonfuls of sugar. Pour over the whole half a pint of vinegar, which, if very strong, should be diluted.

NATHAN PLUMMER, M.D., of Auburn, N.H., says that he has used WISTAR'S BALSAM OF WILD CHERRY in his practice for more than ten years, and finds it the most effectual remedy within his knowledge. He recommends it with great confidence to those subject to coughs and pulmonary complaints.

TOMATO SALAD.—Cut six ripe tomatoes into slices and remove all the seeds; rub a dish with onion and pour into it a mixture of oil and vinegar (in the proportion of two spoonfuls of oil to one of vinegar) sprinkle on the tomatoes pepper and salt, and leave them in the dressing two hours. They will then be ready to serve.

SWEET PEAR PICKLES.—To ten pounds of prepared fruit take three pounds of light brown sugar, one quart of good cider vinegar, one ounce each of cloves and cinnamon. Tie spices in a thin cloth, boil all together until the fruit is tender; then remove the fruit; boil the juice down to a good syrup; pour over the fruit, and seal.

STUFFED TOMATOES.—Take a dozen large tomatoes, cut off the ends, take out the seeds, sprinkle the inside with salt and pepper. Have ready a pound of cold, lean meat, half a pound of cold chicken, a slice of ham, all minced, to which add the tomato juice and fry brown with a minced onion, in a little butter. Mix in a teacup of crumbs, two eggs, salt and pepper; fill the tomatoes, glaze over with beaten eggs and bake half an hour.

GINGERBREAD NUTS.—One pound of flour dried and sifted, one pint of molasses, a light teacupful of brown sugar, a teacupful of butter, a heaping tablespoonful of ground ginger, and any other spice that you fancy. Melt the butter with the molasses, and add them to the flour when about lukewarm with the other ingredients, and then mix all well together. Drop the batter from a spoon on to buttered tins, and bake them in a moderate oven. Ginger cakes burn more readily than any other kind of cake.

OKRA SOUP.—Take two pounds of lean beef, cut into small pieces, add a quarter peck tomatoes, skinned, with the seeds and heart squeezed out, and one small onion, cut up. Let these all stew in a little butter, stirring it occasionally, and then put in the okra, cut in slices. Stir it together for about ten minutes. Next pour over it about four quarts of boiling water; season to taste, adding a slice of green pepper or red. Let all boil down slowly, stirring frequently and mashing the okra. Just before serving add a piece of butter the size of an egg, and be sure that it is smoothly blended in the soup before turning the latter out. Okra soup is never to be made in an iron pot. The tin jacketed earthen crocks that come for preserving and for stewing meats are the right things to make it in.

SACRAMENTAL WINES.

The question of pure wines at moderate prices, suitable for Sacramental purposes, has been met by Messrs. J. S. Hamilton & Co., of Brantford, the Sole Agents for Canada, for the vineyards of Pelee Island, by the production of a very Choice Sweet Red Wine known as "Augustine." It is used, we believe, with satisfaction by many congregations, and can be obtained at the following reasonable prices: in 5 gallon lots, \$1.50; 10 gallon lots, \$1.40; 20 gallon lots, \$1.30; barrel of 40 gallons, \$1.25, and in cases of twelve quarts, \$4.50. Messrs. J. S. Hamilton & Co. made a fine display of all their brands of Pelee Island Wine at the late Industrial Exhibition. Besides the Pelee Island Vineyards, Messrs. Hamilton & Co. are the sole agents for Canada for the well-known St. Malo Vineyards of Tilsonburg and Fairfield Plain Vineyards of Fairfield Plain. The latter produce a choice article of Unfermented Grape Juice.

4 DECADES HAVE COME AND GONE SINCE THE BIRTH OF WISTAR'S BALSAM OF WILD CHERRY. FERRERS COUGHS, AND TROUWERS WHEN CURED BY THE USE OF WISTAR'S BALSAM OF WILD CHERRY, AND YET IT IS NOT OF CURING. SEE THAT "I. BUTTS" IS ON THE WRAPPER.

WHAT AILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indifferently miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gonesness," or emptiness of stomach in the morning, tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies, Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

CURES ALL HUMORS,

from a common Itch, or Eruption, to the worst Scrofula, Salt-rheum, "Foresores," Scaly or Rough Skin. In short, all diseases caused by Bile and Blood are conquered by this powerful, purifying, and invigorating medicine. Great healing cures rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-Joint Disease, "White Swelling," Gout, Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "Consumption Cure," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alternative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy. Sold by Druggists, at \$1.00, or Six Bottles for \$5.00. Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,

World's Dispensary Medical Association, 608 Main St., BUFFALO, N. Y.
