And as a proof that our sentiments correspond with the above expressions, we hereby present you with this purse, (containing over seventy dollars), trusting that you will be pleased to accept of the same, as a token of personal respect and attachment, and our appreciation of your labours among us.

Praying that you may be long spared to go in and out amongst your flock as a faithful watchman, diligently declaring the great truths of the word, and solemnly guiding the devotions of the Church, and wishing Mrs. McCunn and family health and happiness,

GAIRLOCH CONGREGATION.

The annual meeting of this congregation was held in the Church, on Tuesday the 8th inst. The young ladies of the congregation got the minister's family seat nicely lined and cushioned, and several of the young men some time ago gave a day's ploughing. The elderly ladies in Middle River made a handsome present to Mrs. McKay in the shape of a good web of cloth, and instead of about 1 cwt. of cheese being devoted to the minister, as was stated by mistake in the last No. of the *Record*, the whole of the last day's milk sent to the factory, was sent there for the benefit of the minister. The quantity of cheese made out of the milk and sent to the minister was 1½ cwt. and not 1 cwt. The editor of the *Record* must have been misinformed as to the matter, otherwise the mistake would not have occurred. Besides the above there were many other presents made to the minister and his family, so that the Gairloch congregation is not behind their neighbours in so far as kindness to their minister and his family is concerned.

From the above, which we clip from the *Stan ard*, we are sorry to find we have made a mistake in our last issue with regard to the cheese donated to the minister of Gairloch, we are delighted to find that the cheese was 1½ cwt. instead of 1 cwt. and equally pleased and thankful that our mistake did not make the cheese in reality, any lighter or smaller than as donated.

ERRATA.—In Dec. No. P. 192, for Waterville, West River, read Waterville, W. B. E. River.

Mrs. Dunn, St. Ellarton, acknowledges with grateful thanks, the present of money from 'A Friend,' in Westville.

Through the wonted kindness and liberality of Robert Simpson, Esq., Westville, the winter supply of coal has been forwarded to the Manse, St. Ellarton.

Agents lists are very slow in coming in. As delay on the part of agents will cause a delay in the January No. of the *Record*, we urgently solicit a speedy return of lists.

At this season of surprise parties we have to record, as usual, that by a series of surprise parties at the Manse Rogers Hill, a twelve months supply of wood and coal has been supplied.

RIVER JOHN.—Many seasonable gifts, chiefly in the direction of keeping a dozen little feet warm for the winter, have been presented to Mrs. McCunn, by the ladies of the congregation. The masculine portion of the flock have also been occasionally showing that they are as ready to use the axe, as the ladies are to use the knitting needle. We are glad to learn that Mrs. McCunn is now very much better.

OUR OWN CHURCH.

ST. PAUL'S CONGREGATION, E. R.—Through the wonted kindness and considerateness of St. Paul's Congregation, a bountiful supply of wood and coal has been laid in for their pastor, Rev. Wm. McMillan.
