## RAPID PROGRESS OF THE

# Gold Quartz

## Free Milling, Mining and Development Co., Ltd.

The Company has secured a group that promises to be the richest in the far-famed **Manitou**, which has been justly styled **The Richest Gold Fields on Earth.**

This group comprises four very rich mining claims, south of C. P. Railway and one mile from the nearest point on the C.P. Railway, near Wabigoon. The Company is prepared to develop as soon as the season opens up.

We are confident of a prosperous future for the stockholders in our great enterprise, and ask intending investors to note the progress of the **GOLD QUARTZ** as stage by stage it shall attain to the front line in the front ranks of the development companies of to-day.

Only a limited number of shares will be sold at the present price, **10 Cents**, after which the price will be advanced.

Send for circulars and reliable information to the Company's Head Office, and address all communications to the
