## COUNTY OF MIDDLESEX DEBENTURES

Scaled tenders, endorsed "Tenders for Debentures," will be received at the office of the undersigned up to four o'clock p.m. on WEDNESDAY, DECEMBER THE SIXTH, 1899, for the purchase of

\$12,000.00 County of Middlesex Consolidated-  
Debenture-Debt Debentures.

bearing three and a half per cent. interest, payable semi-annually on 10th June and 31st December, principal payable in gold in twenty years from the date of issue.

Each tender must state a price in a lump sum payable at par in London, Ont., on or about December 31st, 1899.

The Corporation does not bind itself to accept any tender. Further particulars on application

A. M. McEVoy,  
Treasurer of Middlesex.

County Treasurer's Office,  
London, Ont., Nov. 23, 1899.

Scaled tenders addressed to the undersigned, and endorsed "Tender for Dominion Building, New Westminster, B. C.," will be received at this office until TUESDAY, 12TH DECEMBER, 1899, for the construction of two buildings—a Post Office and an Lumbering Warehouse at New Westminster, B. C. Plans and specifications can be seen and form of tender and all necessary information obtained at this Department, and at the office of J. R. Roy, Esq., Resident Engineer, New Westminster, B. C. Persons tendering are notified that tenders will not be considered unless made on the form supplied and signed with their actual signatures. Each tender must be accompanied by an accepted bank check made payable to the order of the Honourable the Minister of Public Works, equal to ten per cent. (10 p.c.) of the amount of tender, will be forfeited if the party decline to enter into a contract when called upon to do so, or if he fail to complete the work contracted for. If the tender be not accepted the check will be returned. The Department does not bind itself to accept the lowest or any tender.

By order,  
E. F. E. ROY,  
Secretary.

Department of Public Works,  
Ottawa, Oct. 6th, 1899.

Newspapers inserting this advertisement without authority from the Department will not be paid for it.

## SCHOOL PLANS

The Education Department of Ontario will receive competitive designs and specifications for the following, viz.:

- A four-roomed Public School Building, adapted for Brick or Stone.
- A three-roomed Public School Building, adapted for Brick or Stone.
- A two-roomed Public School Building, adapted for Brick or Stone.
- And a School with a single room.

The Schools to have all suitable modern improvements.

Brief, descriptive typewritten specifications, with details of probable cost, must accompany each set of drawings.

Premiums will be paid as follows, viz.:

For the four-roomed school.....	\$150
For the three-roomed school.....	125
For the two-roomed school.....	100
For the one-roomed school.....	25

Plans must be in the office of the Minister of Education not later than noon of THE FIRST DAY OF FEBRUARY, 1900. Each individual set of designs must be signed by a different name or pseudonym, and the name of designer, under seal, must accompany each set, with separate envelope for each design.

All designs submitted to be drawn on half sheets of Whatman's extra heavy medium surface Double Elephant paper, and be sent flat to the Department, properly protected between straw or manilla boards, and addressed as

"Competitive Public School Drawing,  
To the Hon. Minister of Education,  
Toronto."

The plans and sections to be properly colored, to show the material intended to be used in construction, but the elevations to be in India ink only, without shading. Plans of each separate floor will be required with one section and two elevations for each design. Perspective designs may be sent at the option of the designer. No details will be required. All designs must be drawn to a scale of one-eighth of an inch to a foot, and all designs receiving premiums will become the property of the Department.

Education Department, Toronto, 15th November, 1899.

JOHN MILLAR,  
Deputy Minister of Education.
