

## "Julian Sale"

The Name Behind the Goods is Your Guarantee for the Quality.

## Fitted Club Bags

You can afford to be as particular for quality and "good style" in your travelling requisites as in your dress. Many people are, and that is one good reason why the best of the leather goods and other travelling needs you see in the hands of the travelling public bear the "Julian Sale" label. It is a warrant for quality and service and applies to everything we make and sell from a street car ticket case to that most modern of all the travelling companions—the Wardrobe Trunk.

For special mention here—a "Julian Sale" fitted deep Club Bag for a gentleman, made from the finest Black Natural Grain Leather, hand sewn frame, gold plated mountings, leather lined, fitted with Ebony Military brushes, cut glass bottles and other toilet requisites. Sizes 18, 19, and 20 inches.
