

Tuberculosis Among School Children: Arranged by the Society for the Prevention of Tuberculosis.

Physical Education and College Hygiene: Arranged by the Society of Directors of Physical Education in Colleges.

The Binet-Simon Test: Arranged by Professor Terman, Stanford University.

The Mentally Defective Child: Arranged by Dr. Henry H. Goddard, Vineland, N.J.

Various citizens' committees of Buffalo are arranging an elaborate entertainment for the benefit of visiting delegates. There will be receptions and a grand ball, a pageant of school children, and excursion trips to the great industrial plants of Buffalo, and to the scenic wonders of Niagara Falls. The Boy Scouts will act as official guides.

Delegates will attend from every college and university of note in this country, from other leading educational and hygienic institutions and organizations, and from every country in which an active interest is being shown in the welfare of school children, which includes all the leading nations of the world.

The Congress is open to all persons interested in school hygiene upon the payment of a fee of five dollars. Application for membership should be sent to Dr. Thomas A. Storey, College of the City of New York, New York City.

President Wilson has accepted the honorary office of patron of the Congress. The President of the Congress is Mr. Charles W. Eliot, of Harvard University. The Vice-Presidents are Dr. William H. Welch, of Johns Hopkins University, and Dr. Henry P. Walcott, President of the recent International Congress on School Hygiene and Demography, and chairman of the Massachusetts State Board of Health.

MEDICAL COUNCIL OF CANADA

The next meeting of the Medical Council of Canada will be held at Ottawa on the 17th of June and four following days, and it is expected by that time the Council will be in a position to open the new register to all those who have been in active practice in Canada for ten years prior to the 7th of November, 1912, which was the date on which the Act came into force.
