

HARDWOOD FLOORING TALKS

Don't be misled.
90 per cent. of the Hardwood Flooring used in the West
is "BEAVER BRAND" Flooring.
The orders now booked for next year's delivery would
indicate that even a larger per cent. will be used in
the future.
It don't pay to take any chance when buying hardwood
flooring.
Profit by your competitors' experience and order "BEA-
VER BRAND" Flooring.
