## TENOR BELL OF THE TIMOTHY EATON MEMORIAL CHURCH, TORONTO

The above is the largest Bell of the carillon of 21 Bells which have been cast and hung by JOHN WARNER & SONS of the Spitalfields Bell Foundry, London, England. The weight of the smallest bell is 148 lbs., Note A, and the total weight of the 21 Bells is 29,736 lbs. The "WARNER" self-aligning headstock for chimes is fitted to all the bells, with the exception of the Tenor, which has a ringing headstock and special balanced clapper, and also the "WARNER" self-aligning, self-lubricating, oil ring bearings Type G (Patent No. 18896).

MESSRS. JOHN WARNER & SONS have recently erected a large set of chimes at Fredericton Cathedral, and now have important contracts to carry out for the new John Knox Presbyterian Church Winnipeg, and Holy Trinity Church, St. John, New Brunswick.
