A. G. MORGAN, 412 MAIN ST., McINTYRE BLOCK

CITY AND ELSEWHERE.

HON. JUDGE RYAN, of Portage la Prairie is in the city.

A \$5,000 church is to be erected in St. Mary's parish, Greenfield, Wis.

SOMETIMES it is the man who carries the lantern for others that fall into the ditch.

THE postage on letters to Newfoundland has been reduced from five to three cents.

REV. FATHER FOX left on Saturday last for Selkirk where he is engaged in giving a week's mission.

OWING to pressure on our columns this week, we find it necessary to leave over our running story.

ONLY four cases of contagious diseases were reported to the health authorities last week, are being measles.

THE coolest man just now is the chap who is so wrapped up in himself that he doesn't notice how hot the weather is.

THERE is every reason why the skilled pickpocket should be a cheerful fellow. He makes a study of taking things easy.

THE closing exercises at St. Boniface College took place on Tuesday evening. We will give a fuller report in our next issue.

FEVERISHNESS of the scalp soon causes baldness. Ayer's Hair Vigor cools and cleanses the scalp and clothes it with beauty.

THE milk dealers of Chicago have decided to suspend business every Thursday during the summer, in order to visit the Fair.

JUDGE DUBUC and Madame Dubuc returned to the city on Monday from Regina, where they have been visiting His Honor Lieut-Governor Royal.

THE reductions in passenger rates to the Pacific coast inaugurated by the Great Northern will make the first class fare one way \$25 and the round trip fare \$35.

THE St. Boniface hospital is to be enlarged shortly, the sisters in charge having purchased the necessary land adjoining the present building for the purpose.

It is fair to presume that the church element will withdraw the Bible exhibit from the world's fair, if the gates continue to be opened Sunday. What a marked contrast that would be to the teachings of Christ.

THE motto of the English lady is that "it is not proper for a lady to be pretty; servant girls are pretty." That is one fad which has not been imported to Manitoba. The ladies of Manitoba couldn't help being pretty.

Most agile he, of men is, He will play for hours at tennis, Then he'll walk for miles to where they say the "speckled beauties" lurk. Goes in swimming, then a-rowing, Comes home puffing hard and blowing, And declares he sympathizes with a man who has to work.

REV. DR. ROSSITER, of New York, proves to be a false prophet. He predicted that if the gates of the Columbian exhibition were thrown open Sunday, an electric shower would fall upon and burn Chicago and everything at the fair. Make another guess.

SUSAN B. ANTHONY longs to see a morning paper owned and operated exclusively by women. What a gay and festive maid would have to be employed as police reporter; and what larks she would have hobnobbing with shady people in shady resorts to get news.

An itinerant item set forth that if one holds his breath he is proof against the sting of a mosquito. In case the experiment should prove unsuccessful, it would be just as well to keep on holding the breath anyhow—in the interest of morality.

A GENTLEMAN, under forty years of age, whose hair was rapidly becoming thin and gray, began the use of Ayer's Hair Vigor, and in six months his hair was restored to its natural color, and even more than its former growth and richness.

HAPPY days and restful nights result from using Ayer's Sarsaparilla. It so regulates all the bodily functions and strengthens the nervous system that worry and fatigue are comparatively unknown and life is truly enjoyed. It is certainly a most wonderful medicine.

THE various Catholic schools and academies are now busy with the examinations and closing exercises. The next few weeks will be busy ones for the teachers and parents as well as those who take an interest in our Catholic schools.

PREPARATIONS are being made for the celebration of St. Jean Baptiste day at Bathgate on June 24th. Rev. Father Drummond will deliver an address in the evening.

ENGLAND, Ireland, Wales and Canada are getting up wedding presents to the Duke of York and Princess May. Manitoba is doing her share in No. 1 hard style.

FATHER O'Riordan who has been stopping with the venerable pastor of St. Mary's for a rest after his missionary labors in the west, has gone home via Chicago where he intends visiting the World's Fair. We wish the Rev. Father bon voyage.

MESSEURS. PRENDERGAST and Richard have gone to Ottawa as the representatives of the Liberal party from St. Boniface. They are both sterling and honest men and can enlighten their compatriots from Quebec as to how Liberal principles work in Manitoba. They can do this without the use or abuse of that little word, IF.

Mrs. J. E. WRIGHT of this city died on Friday after a long and painful illness. The funeral took place on Sunday afternoon at 3 o'clock, which was largely attended, and showed how deeply respected was the deceased lady. The pallbearers were: Joseph Wolf, D. Smith, Dr. Barrett, M. Conway, E. Cass and Joseph Carey. The Northwest Review extends to the bereaved family its sympathy in this their hour of deep affliction.

REV. FATHER BAXTER, the premier of the Algoma missionaries, has returned to Montreal, whither he has been called by his superiors, that he may enjoy the remainder of his life in well-earned quietness. Father Baxter has been in the Algoma district for over forty years. The field in which he labored extended over seven hundred miles.—Montreal True Witness.

CARDINAL GIBBONS, previous to the opening of the World's Fair, wrote an open letter in favor of having the Fair grounds visited on Sundays, in order that the workmen would have an opportunity to view it with but little loss of time. Many objections were raised against the grounds being kept open, and an appeal was made to the U. S. court of appeals. On Saturday last the court decided unanimously, in favor of open Sundays.

HON. THOS. GREENWAY is now looking after that hotel in Chicago. Here is the opinion of a Winnipegger who would like to see where that \$86,000 belonging to the province was placed: "I was rather inclined to favor Mr. Greenway's project of a separate exhibit, although I never was in favor of the hotel in connection with it, but since I visited Chicago and saw and heard what I did, I have come to the positive conclusion that an irreparable blunder has been made by the Greenway Government. From a monetary standpoint the money spent by the province in connection with this exhibit is worse than wasted. The province may recover from the financial loss, but it can never recover from the loss it has sustained in having its brilliant light hidden under a bushel from the eyes of the people of the whole earth."

On Friday the Feast of the Sacred Heart of Jesus, his Grace the Archbishop paid another of his most welcome visits to St. Mary's. On the morning of that day, about twenty boys made their First Communion at the Mass which was said for them by the Rev. Father Fox, in the presence of many of their relatives and friends. About the same number of girls who had made their First Communion in the Convent on the Feast of Corpus Christi, made their second Communion then. The whole of these, and some twenty adults, mostly converts, received the Sacrament of Confirmation from the Archbishop at 3 o'clock p. m. His Grace was assisted by the Rev. Fathers Messier and Rogan, and the Fathers of St. Mary's. He made an impressive address to those who were about to receive the Sacrament of Confirmation from his hands and praised the Altar Boys, and Enfants de Choeur for their ceremonies and singing when he assisted at the High Mass and preached about a fortnight ago.

Like Father, Like Son. THE office of Attorney General in the Province of Manitoba must be an enviable position. Some years ago one who meted out "justice," met with an "accident." A few years ago there was in power an attorney-general who made himself so ridiculous by the introduction of an infamous bill that his "boss" was impelled to sidetrack him. And now we have the father of the present attorney-general of the province repudiating his son's actions. Here are his own words, delivered at the closing of the Methodist conference held recently.

"I feel myself in a delicate position, being the father of the attorney-general. It had been acknowledged by the committee that fact that not only some members of the crown had conscientiously believed that the House had the power to pass prohibitory legislation, but also some ministers of the crown had conscientiously believed that the House had the power to pass prohibitory legislation. What an enlightened lot of legal luminaries our attorney-generals are."
