

Take a good look at the picture of this

## TEAMSTER OR FARM BOOT

Isn't it just the Boot for your purpose? We know exactly the conditions you are up against in your work, and have built this boot to meet them all.

Sturdy build—comfortable fit—splendid wear—reasonably priced.

It is a "SKOOKUM No. L 952," made by J. Leckie Co., Limited, Vancouver.

Remember to ask for it by its name and number, thus: "Skookum L 952"

## For the Ensilage Season

Are you equipped with power to operate your ensilage cutter and blower?

### An Electric Motor

will do the work quickly and economically. The flexible cord enables the motor and cutter to be placed anywhere and the motor takes up less room than a gasoline or steam engine.

Remember, in case of an embargo against the use of gasoline, that the supply of electric current is unfailling and practically unlimited.
