I beg you to send me a prospectus of the Spanish language. Please communicate to me the conditions on which it is possible to learn this language by mail.

ALEXANDER HELFREICH,  
40 Clodna, Warsaw, Russia.

In some mysterious manner the fame of the DeBrisay Method is being carried to all parts of the earth. The day on which the above letter arrived we received an order for books from Anvik, Alaska.

We do but little advertising, and what we do is with the local papers. How, then, is the good news carried beyond the seas and northward and southward to the poles? We cannot explain the fact, but it is there—and no one can deny its significance.

Latin, French, German, Spanish, by mail.
