Foreign Service in 1941, and has served in Berlin, Hamburg and Frankfurt. In 1956, he was transferred to New York as Consul General, a post which he occupied until his present appointment.

FEDERAL EMPLOYMENT

Employees of departmental branches, services and corporations of the Government of Canada in 17 metropolitan areas numbered 133,682 at the end of September 1962, according to advance figures that will be contained in the Dominion Bureau of Statistics report "Federal Government Employment in Metropolitan Areas, September 1962". Regular eamings of these employees in September aggregated \$48,582,000. Some two-thirds (66.3 per cent) of all federal employees were in these centres, and their regular earnings accounted for 69.1 per cent of the total paid. Excluded from the report are details of employees in agency and proprietary corporations and other agencies.

Federal employees in the Ottawa-Hull metropolitan area numbered 47,449 in September (23.5 per

cent of the total in department branches, services and corporations), in the Montreal area 18,461 (9.2 per cent) and in the Toronto area 15,325 (7.6 per cent). Regular earnings in September in the Ottawa-Hull area were \$18,821,000 (26.8 per cent of total earnings) in Montreal, \$6,281,000 (8.9 per cent) and in Toronto, \$5,147,000 (7.3 per cent).

Staff in metropolitan areas consisted of 70.7 per cent males and 29.3 per cent females. In contrast, staff in non-metropolitan areas was made up of 82.1 per cent males and 17.9 per cent females. The greatest concentration of female employees in the government service was in the Ottawa-Hull area, where women accounted for 37.1 per cent of the total and men for 62.9 per cent.

Employed in metropolitan areas were: salaried staff, 115,825; prevailing-rate employees, 10,850; ships' officers and crews, 2,337; and casual employees, 4,670. Salaried staff in the Ottawa-Hull area numbered 43,213, accounting for 26.4 per cent of all salaried employees of the Federal Government.
