

respect to the admissability by the Government of Canada of deserters, draft dodgers or military personnel from any other country seeking immigration to this country and a copy of all instructions, regulations, guidelines or memoranda circulated by the Minister of Manpower and Immigration to departmental officials at Immigration centres respecting immigration to this country issued since January 1, 1967.

No. 141—*Mr. MacDonald (Egmont)*—May 6, 1969

That an Order of the House do issue for a copy of all telegrams, correspondence and other documents relating to 1967-1969 teaching contracts for service in Department of National Defence Schools overseas as well as a copy of such contracts and regulations as would apply to such postings.

**Private Members' Notices of Motions—On Friday next**

No. 67—*Mr. Mather*—May 6, 1969

That, in the opinion of this House, the government should give immediate consideration to the establishment of a Crown Corporation whose function shall be the handling of all government advertising, now estimated to exceed \$20 million per year, in order to co-ordinate this expenditure by various departments and to place the approved advertising to the best advantage and greatest economy—profits from this operation to accrue to the Treasury.
