

COPY LETTER:

From: Dr. Alan Gregg, The Rockefeller Foundation,
61, Broadway, New York City.

To: Dr. C. F. Martin, Dean of the Faculty of
Medicine, McGill University, Montreal.

Dated: October 29th, 1931.

"This will acknowledge with thanks your state-
ment of October 9th regarding the work of the De-
partment of Experimental Surgery. I have been much
interested to read the accounts of work being carried on
under the grant made for this purpose, and wish to thank
you for this satisfactory report!"
