

CANADIAN COPYRIGHT EDITIONS.
HAMBLIN SMITH'S STATICS,

*With Appendix by Thos. Kirkland, M.A., Science
Master Normal School, Toronto.*

Price 90 cents.

Hamblin Smith's Hydrostatics.....75 cents.

"There are few books in elementary mathematical science that I can more confidently recommend. The arrangement of the "book work" is admirable, its treatment clear, and the subject made as elementary as it can be, consistent with a scientific treatment of it. In such a study, the working of problems will excite the same pleasure and impart to the subject the same interest that the conducting of experiments does in chemistry. The examples at the end of each chapter are well selected—simple at the beginning, progressive, and ending with problems of sufficient difficulty. The appendix lends an additional interest to the Canadian edition.
