

	PAGE		PAGE
Infectious catarrhal mastitis . . .	709	Inflammation of the synovial sheath of the flexor tendons . . .	1036
.. inflammation of the synovial sheath of the flexor tendons . . .	1036	 tendon of gluteus medius muscle . . .	933
Inflammation of the alveolar periosteum in carnivora . . .	299	 testicle . . .	670
.. .. alveolar periosteum in herbivora . . .	289	 tongue . . .	257, 259
.. .. articulation of the jaw . . .	347	 udder 701, 704, 705, 709	
.. .. bursa of biceps muscle . . .	769	 urethra . . .	635
.. .. sheath of the flexor pedis . . .	823	 urinary bladder . . .	641
.. .. bursa of the ligamentum nuchae . . .	406	 uterus . . .	682
.. .. claw matrix . . .	1111	 vagina . . .	682
.. .. connective tissue surrounding rectum . . .	599	 vulva . . .	682
.. .. coronet-joint . . .	876	Inguinal canal, description of . . .	180, 539
.. .. external auditory meatus or Otorrhoea . . .	360	 cryptorchidism . . .	220
.. .. elbow-joint . . .	794	 hernia . . .	538
.. .. epididymis . . .	670	 false . . .	550
.. .. flexor tendons . . .	837	 incarcerated . . .	547
.. .. hip-joint . . .	932	 in dogs . . .	555
.. .. hock, chronic . . .	989	 in ruminants . . .	552
.. .. hock-joint . . .	987	 non-strangulated . . .	543
.. .. jugular vein . . .	409	Injection, hypodermic . . .	175
.. .. keratogenous membrane . . .	1043	 intratracheal . . .	177
.. .. knee-joints . . .	812	 intravenous . . .	174
.. .. larynx . . .	437	 parenchymatous . . .	178
.. .. ligamentum nuchae . . .	406	 subcutaneous . . .	175
.. .. lips and cheeks . . .	247	Injuries of the carotid artery . . .	388
.. .. mucous membrane of the anus . . .	598	 external ear . . .	357
.. .. mucous membrane of the rectum . . .	598	 interdental space . . .	268
.. .. podophyllous membrane . . .	1043	 jugular vein . . .	388
.. .. posteo-spinatus muscle, tendon of . . .	771	 knee in the horse . . .	804
.. .. prepuce in carnivora . . .	655	 larynx . . .	437
.. horse . . .	651	 leg . . .	971
.. oxen . . .	653	 oesophagus . . .	427
.. swine . . .	655	 penis . . .	656
.. .. salivary glands . . .	325	 pharynx . . .	426
.. .. sensitive laminae . . .	1079	 recurrent nerve . . .	389
.. .. shoulder-joint . . .	765	 stifle-joint . . .	968
.. .. spermatic cord . . .	675	 sympathetic nerve . . .	389
.. .. stifle-joint . . .	966	 thigh . . .	971
.. .. sub maxillary lymph glands . . .	355	 tongue . . .	256
.. .. sub-coronary connective tissue . . .	1058	 urethra . . .	635
.. .. suspensory and cheek ligaments . . .	837	 uterus . . .	682
		 vagina . . .	683
		 vulva . . .	682
		 produced by saddle . . .	489
		 produced by striking (interference) . . .	1039
		 to the anal region . . .	596
		 blood-vessels of the neck . . .	388
		 coronet . . .	1058
		 cranial bones . . .	374
		 muscles and fascia of the quarter . . .	924
		 pharynx and oesophagus . . .	426
		 rectum . . .	596
		 salivary glands . . .	324
		 skull . . .	374
		 vertebrae . . .	721
		Inoculation . . .	172
		 needles . . .	173
		 syringes . . .	173
