Another Appeal for Harvesters In response to urgent and repeated appeals from Western Canada for a largely increased supply of farm labor. The Grand Trunk Railway has decided to run two additional excursions to the three prairie provinces of Alberta, Sas-katchewan and Manitoba from all at largely increased supply of farm labor, at the Grand Trunk Railway has decided the Grand Trunk Ranway has decided of to run two additional excursions to the three prairie provinces of Alberta, Sas-katchewan and Manitoba from all stations in Canada on Sept. 4 and 6, re-

It is now assured that the harvest will be considerably in excess of all previous records, while the labor short-

age has never been so acute as it is its lowest record since last May, and a offered is therefore on a correspond-ingly liberal scale, and nowhere are wages higher than in the sections along the main and branch lines of the Grand follows : Trunk Pacific.

The fare on these excursions will be only \$10 to Winnipeg, via Chicago or Port Arthur, and a half a cent a mile from Winnipeg to any destination east of Edmonton, Calgary or MacLeod. Returning purchasers of farm laborers' tickets will be given certificates, under certain conditions, which entitle them to be returned from Winnipeg to their starting points in Eastern Canada on or before Nov. 30, 1912, for \$18, half a cent.a mile being charged from points

or before Nov. 30, 1912, for \$18, half a cent a mile being charged from points east of Edmonton, Calgary and Mac-Leod to Winnipeg. This is, a straightforward business proposition, an attractive trip to a new country at minimum expense, with the positive certainty of healthy and pro-fitable employment at the other end. COBALT, Sept. 3.—The return of three Frenchmen from Gauthier Town-ship, where they had been prospecting, has caused the start of what bids fair has caused the start of what bids fair to be a memorable rush into that sec-tion. The men brought back glowing reports of the property they had stak-ed, and exhibited freely some wonderful samples of quantz studded with medive gold. Gauthier lies a little west of Larder Lake, being southeast of Dane, the point on the T. and N. O. whence the new field is reached. This morning the new_field is reached. This morning several parties left Cobalt and Halley several parties left Cobalt and Halley-bury for the scene of the new rush, and a larger number left this after-moon, while several well-known mining men of the district are equipping parties and grub-staking prospectors to go inito Gabthier for them.

RAIDED FOURTEEN "BLIND PIGS."

COBALT, Sept. 3.—The provincial police pulled off the biggest "blind plg" raid in years yesterday, when they nabbed fourteen alleged "piggers" on forty-six charges of selling. on forty-six charges of selling. Two spotters have been working for the past two weeks, and have appar-ently succeeded remarkably well. In-cluded in the list of arrests are two men from South Lorrain, and one from North Cobalt, while the balance are well known Cobalt saloonkeepers.
