CAER HOWELL BOWLING CLUB.

Most Successful Season About Closed—The Winter's Program.

The Caer-Howell Bowling Club, the oldest recognized club in the city, has just completed one of the most successful seasons in its history. On Saturday, Oct. 26, a number of members assembled on the lawn, when a match was arranged, to play for a barrel of flour, to be donated to the Hospital for Sick Children, between the president and vice-president, and rinks have formed as follows: President's rink—W. Dickson, B. Conlin, W. Thomson, R. Alliss, C. T. Mead, pres., skip. For vice-president's rink—Giles, J. A. Humphrey, F. Tremble, G. J. Bennett. Mr. E. C. Davis, in the absence of Vice-President Dr. George Elliott, skipped the rink. A most interesting game was played, resulting in Mr. Davis' rink winning by 2 shots. The president, not being satisfied with the result, immediately challenged for another match for another barrel of flour, to be given to the House of Providence, to be played on Monday, and the result was a win for the president, with the following rinks:

William Dickson, R. Conlin, R. Alliss, C. T. Mead, pres., skip.

Vice-President—J. A. Humphrey, H. U. Layton, F. Tremble, E. C. Davis, skip.

This was another very exciting game, there being some excellent play on both sides, the score being 18—14, in favor of Mr. Mead's rink. Alliss was thought to be the finale, but the weather being so delightful, another match was arranged for Tuesday, between Mr. Alliss and Mr. Clayton, for a barrel of potatoes for the Protestant Orphans' Home, and the following rinks competed: W. Dickson, H. U. Layton, C. T. Mead and R. Alliss, skip. F. Carey, J. A. Humphrey, F. Tremble and J. Clayton, skip. The game resulted in Mr. Clayton having to provide the potatoes. If the weather stays as it is, several other matches, no doubt, will be arranged, which will wind up one of the most successful seasons the club has had. The lawn has been in a very unsatisfactory condition, having been resodded in the spring, and wet weather coming on immediately after, prevented rolling. A very inferior lawn was the result, so much so that the executive could not see the way to invite any of the clubs for a match. However, thru the kindness of other clubs, a number of friendly matches were played, and, out of all, Caer-Howell lost only one match thru the season.

In order to keep the members together, it has been decided to hold a meeting of the members once a fortnight thru the winter, when music, cards and smoke will be in order. It is hoped the members will take advantage of these gatherings, as it will keep them together and be a pleasant way of spending the winter.

ST. MARK'S CRICKET CLUB.

Record of a Satisfactory Season, the Third in the Field.

The season just closed has been a very successful one for St. Mark's Cricket Club. Of 20 games played, 10 were won, 9 lost and 1 drawn in St. Mark's favor, which result, considering that this is only the third year since the club was formed, is very satisfactory.

Matches won: Trinity College, Grace Church (2 matches), Woodbine, St. Cyprians (2 matches), Gordon-McKay, St. Albans, Ontario Accident Ins. Co.

Matches lost: Parkdale, Woodbine, St. Simon's (2 games), Toronto, St. Alban's, St. Cyprian's and Toronto Junction.

Drawn: Grace Church.

Shamrock II. Not for Sale.

He reiterated his purpose to challenge again for the America's Cup, and expressed himself as being quite satisfied with the manner in which the Shamrock II. had been sailed. Sir Thomas denied the reports of disagreement with those on board the yacht, saying that, at no time, had his relations with those in charge of her been in any way strained.

Al. Nell of San Francisco was given a decision over Mike Donovan of Rochester, N.Y., at the end of a 15 round glove contest at Oakland, Cal., Tuesday night. Donovan made a good showing, but was evidently outclassed.

CANADIANS SCORE SECONDS

Oom Paul Ahead of Advance Guard and Dr. Riddle Beat Handicapper at Aqueduct.

COL. PEPPER SIGNS REDFERN.

Four Favorites in Front at Lakeside, Where Coburn Rode Three Winners.

New York, Oct. 30.—There was some spirited racing at Aqueduct to-day. Only two decided favorites won, both at odds on, but well-played horses took the other four events, each being at 5 to 1. The Bayview Handicap was the feature of the day's sport. It was such an open affair that four horses closed about equal favorites at 5 to 1. These were St. Finnan, Flora Pomona, Demurrer and Potente. When the barrier went up King Pepper was left, and just after the start Demurrer went to his knees, throwing Garrigan, who, fortunately, escaped injury. The horse went on after his field, riderless, and, passing one after another, came down thru the stretch with the leaders, and finished in front by a length. St. Finnan won, ridden out, from Otis, who had made all the running, with Lady of the Valley third.

The favorites to score were Kilogram in the fourth and Oom Paul in the last. Both won easily.

A new barrier was used in the way of a rubber band stretched across the track, but with poor results, as in four of the six races one or more horses were left at the post.

Redfern, the jockey, has signed a two-year contract to ride for Col. James E. Pepper at $9000 a year.

Curley Brown in Row at Latonia.

Wherever Curley Brown, the starter, lands there is sure to be trouble. He is officiating as head flagman at the Latonia track, and before he gets thru there'll be many a row. He started one on Monday, and a Cincinnati writer tells about it as follows:

As the pretty afternoon was merging into evening, and as the greater portion of the very good attendance was hurrying to the cars after seeing Lyror Bell, Iola and Erema make an interesting finish to the last race, there was a bit of excitement at the gate which leads from the judges' stand to the track, and for a few seconds it looked as if a wordy war between Starter Curley Brown and Trainer John W. Hall would develop into a fisticuff and possibly a more serious difficulty.

The filly Erema, which is trained by Hall, had been sold during the morning by Julius Walmer to P. J. Gorman, and her new owner, on the statement of Hall that she could outrun any of her company, bet heavily on her.

Erema got away badly and finished third. Hall, disconcerted at the manner in which the filly got off, and highly disappointed at her failure to win, met Starter Brown at the gate as the latter was coming in from the track. "I'm much obliged to you, Curley, for that nice start," said Hall, rather sarcastically.

But Brown failed to perceive the inflection of the words and responded: "Sol Did she win?"

"Did she win? How could she, when you let her away so badly?" replied Hall.

"Well, now, Hall, if you don't like the way that mare got off you just needn't start her any more; understand?" retorted Brown, with a display of temper.

This was followed by a loud passage of remarks not of the Sunday School variety, and the men were getting dangerously close together, when Secretary Hopper and Judge Perkins, who had overheard the entire colloquy, stepped between them. The crowd, which had gathered, was ordered to disperse. The further fact that Sad Sam, lately running in the name of the firm of Liger & Brown, but appearing on the card as owned by W. H. Chambers, ran in the race, and is still in the stable of the firm of which the starter is a member, caused considerable comment.

CAPTURED SWIFT WILD FOX.

The Brush for Mrs. Hitchcock, Who Rode Astride.

Hampstead, N. Y., Oct. 30.—Mrs. Thomas Hitchcock, jr., won the highly-coveted brush at the wild fox hunt, held by the Meadowbrook Hunt yesterday, over the excellent hunting country in the vicinity of Wheatley Hills, Old Westbury, East Williston and Roslyn Highlands.

The party met at Old Westbury, and Mrs. Hitchcock, who rode astride, was the only woman in the saddle. Mr. Herman B. Duryea was the master of hounds, and the American hounds that were recently purchased in Tennessee were used.

The pack had been on the trail only a few minutes when a large, swift fox was driven from cover, and led the huntsmen one of the merriest chases in which they have participated this season. Reynard made several attempts to shake his pursuers, by doubling his trail, but without avail, and the keen-nosed hounds, giving tongue, lustily drove him across pasture land, cornfields, woods and many other obstacles, in quick order.

From the starting point, the fox ran west toward East Williston, and then north for a short distance toward Wheatley Hills, and then east toward the Roslyn Highlands, where he was overtaken by the pack.

Mrs. Hitchcock rode very cleverly thruout, putting her hunter over many fences and ditches in faultless fashion, and on many occasions being only a length behind Mr. Duryea and Mr. William G. Park, who drew the reins over Curzon, a superb and sure-footed hunter, that took all fences in a clever manner. These members of the hunt party were well up with the pack from start to finish.

Another wild fox hunt will be held on Thursday, and efforts will be made to discover the fastest horses on the country seats of Messrs. William C. Whitney, Fox-hall Keene and E. D. Morgan, on the Wheatley Hills.

Gossip of the Turf.

Judge Pettengill was a visitor at the Lakeside Tuesday. He was on his way to the coast, where he will be the Western Jockey Club's representative at Tom Williams' sale.

Chris Fitzgerald, the famous starter, is at his home in London, Ont., where he will spend three weeks before going to New Orleans, where he will officiate as starter for the Crescent City Jockey Club.

The 3-year-old bay colt, Tertimin, pacer, owned in Terre Haute, Ind., has been sold by the Flemings to W. P. Stein of West Virginia for $7000, the highest price ever paid for an Indiana-bred colt. He is by Jersey Wilkes, dam by Abdallah Woodford. He went in 2.21¼ as a 2-year-old. This year he has paced a mile privately in 2.08 and a half in 1.00¾.

Egotist, 2.06¼, is a confirmed grafter. She is fond of beer, and takes it with as much regularity as she does her oats. She begs for it, and will not be denied. When she asks for beer and it is not forthcoming she proceeds to start a rough house, and it is worth a man's life to approach her unless he has beer to offer. The strangest part of it all is that she can drink the famous beverage from a bottle or glass as well as from a bucket.

AROUND AMONG THE BOXERS.

Hammond Beat Jack Crawford in Four Rounds at the Soo.

Sault Ste. Marie, Oct. 30.—The 10-round glove contest at the Opera House across the river last night between Jack Crawford of London and Jack Hammond of Detroit was won by Hammond in the fourth round.

It did not come to a knockout. Crawford's seconds, seeing that his fight was fearly out, drew him back and threw up the sponge. Hammond was on an edge for a fight, while Crawford showed clearly that he was not in condition for a hard contest.

In the second round Hammond drew the blood from Crawford's nasal organ, and kept him bleeding all thru the go.

Crawford scored the first knockdown in the third round, but he had not the strength to finish his man, and in the fourth, when he came up winded and groggy, Hammond would have knocked him out but for the intervention of the London man's seconds.

Easy for Tim Callahan.

A special report from Trenton, N.J., says that Tom Hogan, with the exception of the first round, never had a chance with Tim Callahan Monday night, the Philadelphian jabbing and chopping his nose time and time again without getting a return. In the thirteenth round Hogan changed his glove, and as the men came together he swung his right several times. Tim ducked away, and cries of "Look at his glove!" made Referee Crowhurst stop the contest and examine it.

Callahan drew first blood in the tenth round with a left jab, and for the succeeding ten rounds he landed on that injured member several times in each round.

The nineteenth and twentieth rounds were furious. Callahan never let up a moment. His infighting in these two rounds was excellent. Several times he sent Hogan's head back with uppercuts. The men were still fighting fast when the bell rang for the end of the twentieth round, and when Referee Crowhurst, the referee, announced Callahan the winner the audience was visibly pleased.

Mahoney's Many Matches.

Philadelphia, Oct. 30.—John, better known as Young Mahoney, conceded to be one of the cleverest boxers in the ranks of pugilism, has gone into training for his bout at the Crescent Club, Toronto, Nov. 9, with Jack Bennett. Mahoney has besides several offers from clubs thruout the country, and will get in the best of condition by, and will get in the best of condition by, within the next few weeks. Mahoney has now an offer from the managers of the new fighting club at Fort Erie, to meet Ruhe Ferns, the welter-weight champion, and also one from Hamilton to take on Matty Matthews. His manager is also negotiating for a match with Young Peter Jackson, the California welterweight, who is now in Baltimore, under the management of Al Herford. It is probable that Mahoney will take Jackson on for a 15-round bout of 146 pounds, the latter part of next month.

ST. MICHAEL'S COLLEGE WON

Husky St. Andrew's Football Team Beaten by 12 Points to Nothing.

GLEESON REFEREE ARGOS-OTTAWA.

Varsity's Good Chance to Land Senior and Intermediate Championships.

On the Rosedale Grounds, St. Michael's College defeated the fast St. Andrew's College team yesterday afternoon, in a close and exciting game, by 12 to 0. The victors took the defeated team by surprise, when they scored a touchdown within a few minutes after play had begun. Keough kicked off, and Plourde captured the ball. By some perfect running and dodging, he landed the oval within a few yards of St. Andrew's goal. Here a few scrimmages took place, and St. Michael's was awarded a free kick on an off-side play by Ferguson. Dooley kicked high, and the line men followed down; when Capt. Hauser lost the ball by a fumble, Gibbons of St. Michael's dropped on it for the only touchdown of the first half. Dooley kicked an easy goal, and the half ended with St. Michael's 6 to their opponents' 0.

In the second half, St. Michael's resorted to a more open game, and, by some fine passing of Carey, Dooley and Collins, secured another touchdown. Dooley again kicked the goal from a most difficult angle, making the score 12. St. Andrew's, by a number of line plunges, rushed the ball to the centre of the field after the kick-off. Here it changed hands, and S. M. C. took a hand in rushing it towards St. Andrew's goal. At their own 25-yard line, St. Andrew's got a free kick, and, a good one, secured the ball at the centre of the field. Here, after a few throw-ins and scrimmages, they rushed the ball to St. Michael's 25-yard line, where time was called.

For the losers, Capt. Hauser and Ferguson played good games, while MacFayden, in scrimmage, worked hard. St. Michael's halves played a fine running game, while their passing was of a good order. On the line, Rosier, Gibbons and Duffy played star games. Clarke made some nice tackles, while McAuley, in scrimmage, was a tower of strength for S. M. C. The line-up of St Michael's was as follows: Back, Pickett; halves, Collins, Dooley (capt.), Carey; quarter, J. F. Kelly; scrimmage, Nixon, (Devine), Keough, McAuley; wings, Riley, Nealon, Gibbons, Rosier, Plourde (Dixon), Clarke, Duffy.

Varsity's Two Games.

The students had a good practice last night, when the second team was played against the first. This was a good hard prep. for both teams for their games on Saturday with the live Queen's teams. If Varsity win in the games, it will give them a double crown, senior and intermediate championship. Gibson, who has shown up well all season on the intermediate team, will fill Hendrie's place on the senior half line, and A. K. Cochran will likely fill the vacancy on the second team. The intermediate match will be played in the morning and the senior game at 2.45 p.m.

Eddie Gleeson Will Referee.

The championship of the Ontario Union practically depends upon the result of the game on Saturday at Rosedale between the Argonauts and Ottawa, as a victory for the latter team will practically clinch the honors for them, while a reverse will put the scullers on an even footing with the champions. The Argonauts are just rounding into shape now, and if they do not win on Saturday, it will not be from lack of training. Every day this week the hardest kind of practices have been the order, and yesterday was no exception, every man on the senior team and a number of intermediates, with the exception of Stollery, being out. The chances are that the Argos will lose the services of the clever halfback, as he has announced his intention of going to Sault Ste. Marie, where a lucrative position is awaiting him, to-morrow. Henderson, a fine runner and tackler, will take his place. Eddie Gleeson has been agreed upon as the referee by both teams, and, as the game is there will be no room for complaint. The sale of reserved seats at Nordheimer's has already been very large, and a record attendance is assured.

Most of the Varsity players favor the rule of arranging the ball back in place of the present way of scrimmaging, and after the league games are finished they intend playing an exhibition match to show the public the advantage of it.

Stollery was up at the Argonaut practise yesterday, but not in uniform; it is not yet an assured thing whether he will be here for Saturday's game or not.

There is a lot of betting on the Rugby games here on Saturday, the Rough Riders and Varsity being the favorites in the betting.

Furious Driving on Highways Arouses Strong Feeling.

The escapade of Rev. Messrs. Sanderson and McAmmond at Syracuse has been revived by the appointment of Rev. George Brown of 101 O'Hara-avenue, a minister in charge of the Almonte church, pending the final action of the Montreal Annual Conference next June, upon the suspension of Rev. Mr. Sanderson. Rev. George Brown, it is learned, accepted the invitation with some reluctance. When he first agreed to go, he was not aware that the suspended minister and his wife and family were still occupants of the Almonte parsonage, and he felt that, with Mr. Sanderson staying there, under the peculiar circumstances of the case, he might be regarded as compromising himself by going. In consequence, he wrote, asking to be relieved from his acceptance, but received a telegram, saying that the church was depending upon him for next Sunday's services and could not allow him to withdraw. Rev. Mr. Brown waived further objection, and has gone to Almonte. He is one of the most vigorous of the veteran ministers of Canadian Methodism, and frequently takes part in the services at Dunn-avenue Methodist Church, with which, since his superannuation, he has been in membership.
