City Council Awards Contracts for Asphalt Pavements to the Forest City Company

AFTER A VIGOROUS DISCUSSION

Outsiders Had Not Conformed to Specifications.

The recommendation of the Board of Con trol that the tenders of the Forest City Paving Co. for asphalt pavements on Fernivenue and on Spadina, from Queen to College and Spadina, west side, from Baldwin to College, was endorsed by the City uncil last night, after a vigorous fight These are the tenders which provide for the use of the Acme California asphalt. Contrary to the recommendation of the Board of Control that the matter be referred abck to the Engineer, the pavement on GRAIN MARKETS ARE LOWER Spadina, from Baldwin to College, will be aid with Trinidad Pitch Lake asphalt, thta being the material mentioned in the pati-

> Wanted New Tenders. When the pvement matter came up, Ald. Loudon moved that the tenders be referred back to the Board of Control for the purpose of adpting for new-asnp pose of advocating for new ones. In ten-

Aid. Oliver thought the Engineer should say what asphalt should be used.
Aid. Bell favored the lowest tenders.
Aid. Lynd thought the lowest tender which came within the specifications should be accepted. He could not see the use of specifications if the contractors were not compelled to live up to them. The Engineer had absolutely refused to say that Warren's Acme asphalt is equal to the asphalt called for. The London company's tenders were irregular and should not eonsidered for a moment. The Council could not, in his opinion, legally award these contracts on these tenders. He had received a communication sent bim certifying to the honesty and ability of Mr. Warren, and had no doubt it was justified, but it was based on Mr. Warren's having laid pavements with Trinidad Pitch Lake asphalt. Spadina-avenue, he thought, was much too good a street to be experiment ed on.

### Junction for the Election of a Town Councillor.

Proclamation Issued By Mayor of

APPOINTED A SCIENCE MASTER

the Junction High School at a Salary of \$1000

Toronto Junction, July 14.—The Mayor as issued his proclamation for an electio to fill the vacancy in the Town Council caused by the retirement of Councillor A. J. Anderson, to take place on July 28. Nominations will be held on Monday,

The Epworth League of Annette-street Methodist Church gave a social in the basement of the church this evening. good program was given, but owing to the rain the attendance was not as large as

The High School Board to-night appointed W. H. Fletcher, M.A., of Huntsville, science master, at an initial salary of \$1000. Mr. Fletcher is a gold medalist in science and has had several years' experience as a commercial specialist. Mr. Charles Barnes, B.A., a specialist in classics, with first-class honors of two years' standing in history and English, was appointed to fill the vacancy in moderns, caused by the resignation of Mr. R. B. Page, B.A. The Town Council held a special meet

ng to-night, Mayor Armstrong presiding. The bylaw exempting the Heintzman piano factory was given its second reading. It provides for full exemption upon the new uildings to be erected for a term of ten rears and an exemption to the extent of 75 per cent, for ten years upon the present buildings. The company will pay full taxes for school rates, local improvements and sewer rates. A communication was and sewer rates. A communication was received from the County Council, offering to give a grant of \$500 to the High School Board, which, they claim, is more than the board is entitled to under recent amendments to the High Schools Act. Capt. Ross, chairman of the board, is of the opinion that the board is entitled to a larger sum. Last year the board received \$979.83. A recent amendment to the act places the amount to be paid by a county at 80 per cent. of the maintenance. This would give the board \$783.87. Another amendment would appear to suggest that towns separated from counties should contribute to the High School Fund of the county on the basis of an equalized assessment. The assessment of the county is 25% millions. Upon this basis the High School Board would only receive about \$475. In case of dispute, the matter is to be decided by the county judge, and it is the opinion of the Council that his interpretation of the act should be sought. The same difficulty has cropped up in other parts of the province where High schools are situate in towns apart from the county. Had Toronto Junction's assessment been low, as some towns are, then the amount from the county might have been much more than the \$500 offered. It is thought the intention of the legislature was to take off from towns separated from the county. The judges, however, will defermine it.

Manager Mari of the Shamrock Lacrosse Club has arranged a match with the Red Jacket Lacrosse Club of Versailles, New York. The match is to be played on Aug. received from the County Council, offering

Rev. Mr. Baker has taken charge of the Ion Methodist Church. The members of York Township Council

will visit the Dovertour electric day.

The matter of obstructions on the street, which has interested the ratepayers of the Dovercourt district of late, has been amicably settled. The obstructions on the street are to be removed at once, except a shed on Bridgland-street, which will be removed in the fall.

Rev. F. C. Keam delivered a memorial address for the late Leroy Wilson at the Methodist Church on Sunday evening.

The Ladies' Aid are preparing for their annual picnic, which will be held on Thursday week at Bond's Lake.

Mrs. R. Bailey, who assisted E. J. Gallanough at his store for some years, leaves to-day to take up permanent residence at London, Ont.

The winter wheat along Yonge street attracts general admiration, and the crops on the farms of Oliver Boles, York Mills; William Richards, Newtonbrook, and William Ford, Thornhill, would be hard to beat.

west.

Mrs. F. Ford has been indisposed for some time past.

John Deury has returned from his duties at Belfountain and will remain at home for summer vacation.

North Toronto.

Councillor Wallace Maclean has returned after a three months' trip to the Old Coun-Both the town and township are no Both the town and township are now watering Yonge-street, much to the convenience of those having to use this thorofare. The Metropolitan conductors are nothing if not polite, but the threat of a lady passenger to slap one's face for attempting to assist her in boarding a car a day or two ago will not likely lead to an extension of this portion of their unenforced duties. Complaints are frequent of the poor lighting now furnished the town,

East Toronto.

The regular monthly meeting of the East Toronto Council was held last night. Reeve Walter was in the chair and Councillors McMillan, Oakley and Berry were present. A communication was received from W. Linton, asking the Council to lay water mains in the eastern part of the village. The matter was referred to the Water and Light Committee. Five owners of new houses in the village asked for water. They will receive village water in future. Chief Lyon of the Balmy Beach fire hall was present and asked for a few more supplies. The Council will deal with the matter. The Treasurer's half-yearly report was presented and was very satisfactory.

ory.

Emerson Coatsworth appeared before the Council on behalf of Beach residents to get the Council to expropriate some ren feet of land beside Fernwood Park-avenue to make it a public road, as it is now a private one. The matter was referred back.

H. C. Moore, one of the councillors, sent in his resignation, which was accepted by the Council. There will be an election shortly to fill the vacancy. The Council then adjourned.

The Beaches.

The weekly children's hop ot the Kew Beach Club last night was largely attended by the young Beachegs.

There were some 2000 people at Munro Park last night, despite the disagreeable weather. The show this week is first-class and above the usual standard. There are some six acts on the bill, which closes with moving pictures by the American Vitagraph.

The Balmy Beach baseball team defeated the C.P.R. freight team at the Woodbine by 17 to 8. On Saturday the Beach team play the M.S.R. Co.'s team at the Woodbine.
