In addition to the foregoing, Mr. Hyde has occasionally taken charge of the Wednesday evening service in our own Church.

QUARTERLY MEETINGS.—Three quarterly public meetings have been held during the year, on the Wednesday evenings following Communion Sabbaths, at which addresses and information, bearing specially upon Mission work, were given.

MINNEDOSA CHURCH.—We have not heard from Mr. Wellwood for some time, so that we cannot say whether his people are yet in a position to carry out the terms of our loan. Your Committee will however keep this matter in mind, with a view to carry out the ideas conveyed in our last Annual Report.

CONCLUSION.—Your Committee is still of opinion that the names of many members and adherents of the Congregation are not yet on our respective lists. In view of the removal during the past year, by death, of several of our most liberal givers, it is the more needful that all should do something to provide means for carrying on the Missionary operations of our Church.

The whole respectfully submitted.

GEORGE HYDE,
Secretary.
