The Dyment plater, Fort Garry, showed some speed by going a mile, with Stromeland, yesterday, in 1.493-5, leading Stromeland all the way. The performance was a first-class one and showed the colt to be well up to racing condition. Cannie Maid, from the same string, was galloped with the 3-year-old Devanson, while Temeraire was worked along. Uncle Toby was given light work only. The mare Better Half was galloped

yesterday morning and showed herself to be ready to run, even after her trial of Sunday. King's Hollday and Lawyer Miller were also given light work. Ed. Whyte worked Tourenne and Bridgewater a mile in 1.50, the older horse run-ning away from Bridgewater. The rest of the horses in this string were only galloped.
