ALL THE CHICKET SCORES | Cobalt Issues Are in Grip

Liquidation of Long Contracts the Feature of the Week-Receipts Gibson of Toronto Makes Best Market Has Been Free From Excessive Weakness Which is Generally us a line. Apparent in Hot Season.

World Office, Saturday Evening, July 31. The local mining exchanges have

is to a certain extent responsible for the weakness displayed from day to day. While the stock has not been thrown on the market to any great extent, it was hard to dispose of any large offering without a reduction in the price, and the week closes with quotations some six points below last Saturday.

When the usual apathy has disappeared, to be succeeded by the regular boom in Cobalts during the fall.

STIANDARD EXCHANGE SALES.

the company's property. The shares were in fair demand from day to day and close the week at a gain of four McKin.-Dar. Savage Doints over list week.

The other low-priced Cobalt issues have been generally steady. Ophir has made a better showing in the market Ophir

cent new records made. The compara-tive weakness of these two issues is due to realizing, which has been much in evidence during the week at the high prices reached, but no apprehen-sion is felt as to the future outcome.

24 were somewhat under the usual weekly totals, being 635 tons from The market closes the week with a

Of Usual Summer Apathy

Saturday.

Nova Scotia has been the most active issue for the week. As was only to be expected considerable profit-taking came into the market from those who had bought at the recent lower levels, and who took advantage of the higher prices reached to dispose of their holdings at a profit. Despite this realizing, however, the shares remainrealizing, however, the shares remainrealizing, however, the shares remainrealizing, however, the shares remainrealizing to-day considerable with the realizing that the recent lower levels and who took advantage of the Buffalo Chambers - Ferland 19,990 8,87 City of Cobalt 24,400 11,28 Cobalt Central 97,750 41,37 Cobalt Lake 11,600 2,6 Conlagas 370 5,760

Temiskaming has been kept well before the public during the last few days, and has been strong thruout on news of continued good showings on Hudson Bay

than for some time past, advancing of isse some twenty-five points, on news of a strike on the company's claims. City of Cobalt exhibited a somewhat stronger undertone than usual, and sold up several points, but weakened later and closes about unchanged from last Tamistaming. about unchanged from last Cobalt Central advanced two Trethewey ... points to 43 and closed only fractionally below the best figures reached.

Also bees strong and made greater or also bees strong and made greater or less advances.

Crown Reserve has been the strongest of the higher-priced issues, having sold up over the four dollar mark, an advance of over thirty points from the highest figures reached last week. It is known on the street that much of the buying of these shares comes from former holders who disposed of their stock dusing the recent law suit, and who are now seeking to buy in again. La Rose has remained about steady around \$8.40, while Nipissing has sold somewhat lower than the recent new records made. The compara-

PRICE OF SILVER. Bar silver in London, 23 7-16d oz. Bar silver in New York, 50%c oz. Mexican dollars, 44c.

and few material declines occurred. The market thruout the week has exhibited considerable firmness, when the lack of outside interest is taken into account, and closes with the run of prices, with few exceptions, about unchanged from last Saturday.

Beaver is the only Cobalt issue which has undergone any loss of consequence during the week. Considerable iquidation in these shares has been in evidence while short covering of insiders is to a certain extent responsible for and stronger market later in the year, when the usual apathy has disappear-

The following is a list of the sales of Cobalt stocks at the Standard Stock and Mining Exchange for the week ending

New York Curb.

Has Best Showing in the Nevada Copper District.

That Ely Central, the con Kerr Lake has been steady around the eight dollar mark.

News from the camp has been as extiliarating as ever. The recent rich from around 50 cents to sales as high the Walkers with the Walkers explianating as ever. The recent rich discovery on the Waldman claims has then a stimulus to the other properties in the camp and development is being feverishly pushed with the expectation of further strikes at almost any moment.

The recent rich discovery on the Waldman claims has \$1.25, viider a tremendous demand, international Portland Cement, 2000 is as likely to be as prolific of surprises in a physical way as the stock has been in a market way, is the best and Guarantee, 10 United Empire Bank, 10 Home Bank, 5 Farmers' Bank, 10 Home B the company. In an interview this FOR SALE—5000 Cobalt Development, 7 Interns the company. In an interview this week Mr. Turrer declared it to be his belief that with development at great Gepih the rickest ore yet found in that the Ely district will be found in that part of the Ely Central estate, which lies between the two sections of the Nevada Consolidated estate.
