PLAYS, PICTURES AND MUSIC

"THE BIRD OF PARADISE."

Outside of Robert Louis Stevenson and Jack London, there is probably no man who knows the South Sea islands better than Richard Walton Tully, who gave the stage that delightful Hawaiian play, "The Bird of Paradise," which Oliver Morosco has given such a wonderful production and sends on tour each season. Tully spent many years on the Hawaiian Islands, and is thoroly familiar with the natives, their customs and habits. "The Bird of Paradise" will again be seen in this city for one week, commencing Monday, August 27, at the Alexandra.

"A DAUGHTER OF THE GODS."

The motion picture masterpiece, "A Daughter of the Gods," featuring Annette Kellermann, will be the attraction at the Grand Opera House during the period of the Canadian National Exhibition, commencing Saturday, August 25, and will be shown twice daily. Beautiful in story, gorgeous in its majestic beauty and perfect in its artistic detail, this production bids fair to go down in history as the last word in all that has ever been attempted in the line of amusement endeavor. This engagement is the first in Toronto at popular prices.

GAYETY.

Because he named the attraction which he is to present at the Gayety Theatre next week, commencing with the matinee performance on Monday, "Sam Howe's Big Show," Mr. Howe took particular care to provide an entertainment which would live up to the title, and advance reports indicate that he has performed this task more than well. The cast includes, besides Sam Howe himself, Helen Tarr, Frankie Fay, Joe Kane, Frederick Starr, Ethel Hall, Stefi Anderson, Edith Mellor, Ed. Malden, Geo. Meyers, Lew Harris, Tom Packard, Chester Weeks and others, and a chorus of Broadway beauties. The production which Mr. Howe has provided as a fit setting for this company is said to be the most adequate and the costuming particularly effective.

STAR.

At the Star Theatre next week will be seen "Pat White and his Gaiety Girls" in two brilliant and up-to-date burlettas, entitled "Casey at the Derby" and "The Hurly Burly Hotel," in many scenes in which the services of capable corps of principal comedians and fascinating leading women, together with the inevitable chorus of all kinds of pretty girls, will be employed.

BIG REGENT PROGRAM.

Those who see "Then I'll Come Back to You" at the Regent this week will agree that Steve O'Mara had something to fight for. The thread of interest which is in evidence from the introduction on until the close of the picture is very strong, and holds one with compelling interest. Victor Moore, in "Flivvering," creates much laughter. The Regent News Weekly is original and instructive. Regent music is for those who enjoy real music.

FANNIE WARD AT STRAND.

Today and tomorrow there will be presented at the Strand Theatre the most unusual and thrilling photo-drama in which Fannie Ward, the versatile and vivacious, has yet been seen. This is "The Crystal Gazer," a superb Lasky production, in which the gifted actress plays three distinct roles —those of a mother and two daughters. The photoplay is a clever and absorbing exposure of fake mediums, clairvoyance, etc.

AT THE MADISON.

For the first half of next week the feature at the Madison Theatre will be the great Lasky triumph, "The Squaw Man's Son," the sequel to the fascinating and enthralling "Squaw Man." Anita King and Wallace Reid head a superb all-star cast, and the photoplay is full of action and thrills.

As the result of drinking wool alcohol, William Goodman, 125 Sorauren avenue, is in the Western Hospital. His condition is not serious. Goodman was taken into custody by the police last night, and when his condition was discovered he was removed in the police ambulance to the hospital.

REDUCTION OF ORDERS MEANS FEWER WORKERS

Lessened Activity in Munition Plants Followed by Laying Off Nightshifts.

The reduction in shell orders in Canada is being followed by the abolition of night shifts in the various munition plants. At the plant of the Russell Motor Company 1500 workers, including 1000 women, representing the night staff, have been paid off, and the reduction of the staff at another plant of the same company is now being considered.

It is estimated that up to the last few days there were between 22,000 and 25,000 men and women employed in Toronto on munition work, and, of these, over 10,000 were women.

Last week the Massey-Harris Company laid off 100 men, representing the night gang. Out of the 200,000-odd men and women employed in Canada on munition work, it is calculated that at least 50,000 to 75,000 will be displaced.
