A PLATE YOU CAN EAT WITH, HELD IN POSITION BY OUR NEWLY IMPROVED QUADRUPLE ATTACHMENT. People don't want artificial teeth to carry around in their pockets nor keep at home in their bureau drawer if they will know where to find them when the door bell rings, they want teeth for service.

If you have a plate that no dentist has been able to make fit, why not try us; we have satisfied thousands and why not you? Our teeth are so natural in size, shape, color and the expression they afford to the face as to defy detection EVEN BY A DENTIST unless closely examined.

Our new attachment holds them as solid as though they were riveted in the mouth.

DECORATION FOR "COMMODORE" THOMSON

German Emperor Confers Upon Robert Thomson the Prussian Order of the Red Eagle.

Robert Thomson, Imperial German consul, has received a letter informing him that His Imperial Majesty, the Emperor of Germany, had conferred upon him the decoration of the Prussian order of the Red Eagle for valuable services rendered as consul at St. John.

The decoration accompanied the letter, and consists of a Geneva cross in silver with a red eagle medallion in the centre and on the reverse side a crown with the initials F. W.

The ribbon is white with two orange stripes.

The order of the Red Eagle was first founded in 1705 by the Crown Prince of Brandenburg as the "order of sincerity" in 1712 was organized as an order of the House of Hohenzollern, the present ruling family of Germany.

Mr. Thomson has been consul for 30 years and values very highly this honor conferred upon him by the German Emperor.

Mr. Thomson is Commodore of the Royal Kennebecasis Yacht Club and today is the last day of the yachting season. The Commodore with other yachtmen proceeded this afternoon to the club's headquarters at Millisville where he held the closing gun and formally declared the season at an end.

REFRIGERATOR CARS

St. John Railway Co. Operating an Excellent Service on the Blue Rock Route.

The St. John Railway Company has established on the Blue Rock belt line in West Side an excellent refrigerator car service in a new position to deliver frozen passengers at any point from Rodney wharf to the City Line. A particular advantage about the service is that the passengers are slowly frozen by the natural atmosphere, the refrigerating process is not forced by artificial means or impeded by stove heat in the only car on the Blue Rock route there is no stove. Consequently when the temperature takes a sudden drop, as has been the case in the last two days, passengers are permitted to freeze by degrees and are delivered at their homes cold in body but hot in temper. It is reported that the car will be comfortably heated on April 1st, 1909, but this report is viewed with suspicion. Another report that a passenger had his jaw frozen while crossing Queen square in a Blue Rock car last night cannot be verified.

LORD MILNER CANNOT COME

Famous South African Unable to Address St. John Canadian Club at Present.

Secretary Chas. A. Henderson, of the Canadian Club, received a communication yesterday from Lord Milner at Toronto, regretting his inability to accept the invitation of the club to speak in St. John under their auspices, as he was preparing to leave Canada for England. But at no distant date it is his intention to again visit the Dominion, and in all probability he will address the members of the organization on that occasion.
