SOCIETY

During the past week much time has been occupied with the various meetings in connection with church societies and other organizations which are gathering their forces for the winter work, and so it is that comparatively little time has been left which might be devoted to events of a strictly social character. It must also be remembered that within the last few days the weather has been so unfavorable that social calls and other such amusements have been for the time being almost impossible. It might be regarded as a benefit in another way he demands upon the wardrobe have not been so great as if the days had been bright and warm.

It might not be amiss to note in passing that the lighter gowns are being laid aside and replaced by smart, stylish winter costumes, and even now some are glad to don the fur side or two.

Thanksgiving parties seem to have found considerable favor and whippers are in and of arranging for a number of interesting events—some of which will likely be along the lines of "we older times." There are also rumors of all Hollow eve celebrations.

Local society folk are preparing for a busy season which is being anticipated with a very great deal of pleasure. The Misses Sutherland and sister gave quite a number of their best friends at a very delightful tea yesterday afternoon at their home, Wentworth street.

Mrs. J. L. McDevitt and her sister, are visiting in New York.

Mr. and Mrs. George Babbitt, of New Oxford, are the guests of Mr. and Mrs. D. J. McLaughlin, Leinster street.

Mrs. W. Green will entertain a number of her friends at a golf party, on Tuesday afternoon next.

Mr. and Mrs. Joseph Walker, of Fredericton, who have been spending the summer at Duck Cove, have returned to the capital. Master H. Walker has gone to Wolfville to pursue his studies and M. M. Walker is at Mount Allison.

Rev. A. G. Hamilton Decker was given a farewell reception in St. Paul's school house on Tuesday last and left on Wednesday evening for Toronto, where he will preach his first sermon as rector of St. Luke's on Sunday next.

Mrs. L. G. Crosby returned from Boston yesterday after a most enjoyable visit. Mrs. W. G. Lee is still enjoying her visit to Boston.

Although the tennis teas have been discontinued the game itself still possesses attraction. Owing to the unfavorable weather there has been little or no playing during the past week, and the season has almost come to a close.

Today has been a brilliant one at the local gold links. The Stetson cup finals are being played this afternoon and the day has been devoted to a field day and will conclude with tea at the club house and the presentation of prizes.

Friends of H. N. Stetson will be delighted at his good fortune in capturing the 1906-1907 championship in yesterday's match with George McDevitt.

Mrs. W. S. Fielding and family who have been the guests of Mrs. Allan Rankine, have returned to Ottawa.

E. R. Chapman is on a two week's visit to the west.

SOCIETY AT OTTAWA.
The reception given by Sir Wilfrid and Lady Laurier on Monday evening was by long odds the most brilliant gathering of the season. Among the many guests were Attorney General Pigeau, Premier Murphy, of N. S.; Premier

MISS STELLA MCLENNAN

JUDGE HENDRICKSON

MISS ALICE HORLOCK

DOCTOR FRANK BROUWER

DR. HENRY

There have been quarrels between Dr. Frank Brouwer and his wife and that Dr. Brouwer had said that he intended to sue for a divorce, was the testimony given today by Miss Elizabeth Hyer, sister of the woman for whose alleged murder the doctor is now on trial. Miss Hyer said that her brother-in-law had told her that his incompatibility of temper made it impossible for him and his wife to live happily together and that he proposed to seek a divorce. According to Miss Hyer this statement by the doctor was made more than four years ago.

Just before adjournment was taken for the day Judge Hendrickson caused surprise when he ordered the jury to stand up and declared that he had heard they

had been talking to persons in the street about the case. He said that he heard of any such action again on the part of

the jury he would order an investigation with a view of having the guilty persons punished.

SUSSEX NEWS

SUSSEX, Oct. 12.—David D. Freese, teller for the Bank of Nova Scotia, for some time past has resigned his position, and will commence the study of medicine at McGill. Mr. Freese was a favorite with patrons of the institution and the boys generally.

At a meeting of the Sussex Curling Club held last evening, it was decided to take up the question of curling this winter and a move will be made at once by the interested parties.

The Sussex Institute is making an effort to get the use of the Curling Club's stones.

A very pretty but quiet wedding was solemnized yesterday afternoon at the rectory when Miss Maud Bell, daughter of Andrew Bell, was united in marriage to Robert Strong, all roads at Millstream. Rev. Scott Neales performed the ceremony.

Mrs. G. M. Pearson and Miss Blanche Fowles left today for Boston where they will visit friends.

Miss Isabel Keith who has been visiting her sister, Mrs. Pitfield, Millis, Mass., returned home today.

WEDDINGS

Munroe-McBay.

A very interesting event took place Tuesday afternoon at the residence of Mr. and Mrs. Walter T. McBay, 67 High street, when his sister, Bessie M., was united in marriage to George E. Munroe, of Newcastle, Queens county (N. B.). The ceremony was performed by Rev. R. P. McKim in the presence of a large gathering of friends of the bride and groom.

The bride was beautifully attired in grey albatross with lace trimmings and carried a bouquet of white asters. She was attended by her cousin, Miss Bertha Jones, of Welsford, and little Miss Jones acted as flower girl and carried a basket of sweet peas. The groom was supported by Fred Jones.

The wedding march was excellently played by Miss Ethel Perkins. After luncheon was served the happy couple left by the I. C. R. for their future home in Newcastle. Many beautiful presents were received. The groom's present to the bride was a diamond brooch.

EVANS-BELLES.

A very pretty wedding took place Thursday at the residence of Beverly Belles, 90 Prince street, West End, when his second daughter, Georgia Ella, was married to Sanford Evans, of this city.

The ceremony was performed at 8 o'clock by Rev. H. D. Marr. Only the immediate friends of the bride and groom were present. The bride was given away by her father. She was beautifully dressed in white silk with blue trimmings, and carried a slower bouquet of carnations and gerbera.

The groom's gift was a sunburst of pearls.

The happy couple left for a trip up the river this morning before leaving for their future home in Portland (O.).

MONCTON, OCT. 11.—Thomas Collins' preliminary examination at Hopewell Cape has been again adjourned, this time until the 17th of October. The adjournment was made because of the absence of Premier Tweedie.
