Thoughts in Bed.—Happy is the man who can say "peace-giving bed." For, oh, what a rack to the spirit of man may be found in goosedown! You are in bed, peace-giving bed, you say; it is deep night, and in that solemn parsof firme. You try to think of many things, but the spirit or demon of the bed sets up yourself before yourself—brings up your doings to the bar of your own conscience; and what a set of scurvy gaclbirds may be found among them. They peep in at your curtains, crowd in at the foot of your bed, and though you have no rushlight, you see their leering, sneaking faces.—Jerold.

A NATURAL REMEDY

Suited to our Constitutions, and competent to the cure of civery curable disease, will be found in WRIGHT'S LYDIAN VEGETABLE PILLS OF THE NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary Pills are composed of plants which grow spontaneously on our ownsoil; and are therefore better adapted to our constitutions, than medicines concocted from foreign drugs however well they may be compounded; and as the Indian Vegetable Pills are founded upon the principle that the buman body is in truth.

SUBJECT TO BUT ONE DISEASE. or iz corrupt humors, and that the said medicine cures this disease on NATURAL PRINCIPLES, by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhaustic did a perseverance in their use, according to directions, is absolutely certain to drive disease of every mane from the body.

When we wish to restore a swamp or morast to fertility, we drain it of the superabundant waters; in like manner, if we wish to restore the body to health, we must cleanse it of impurity.

The Indian Vegetable Pills will be found one of the best, if not the very best, medicines in the world for carrying out the GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and NATURAL MANNER, and while they every day GIVE EASE AND PLEASURE, disease of every name is radially driven from the body.
