Monday night Private Pierce, of the 26th battalion, had the handsome score of 122. Private Pierce has made several large scores since his arrival in St. John and has developed into a splendid bowler. There are among the 26th Battalion some very good bowlers and Private Pierce is by no means at the rear end of that list. Edward Nugent won the roll-off on Monday with the score of 365, viz., 120, 118, 130.

HOCKEY St. Francis Xavier Wins. The Halifax Crescents were again defeated in Sussex's night, 6 to 3. A large crowd witnessed the contest. The Sackville team are champions of New Brunswick and the Western Nova Scotia League, while St. Francis are champions of the Eastern N. S. League and the game was to decide the ownership of the Brown trophy which was last year put up by Brown Bros. of Moncton for the championship of the Maritime Intercollegiate League and was won by Mount Allison. Mount Allison at all points were outclassed. About five minutes after the whistle tooted McIntosh scored for the blue and white. About eight minutes afterward Eston of Mount Allison notched the initial goal for the garnet and gold. In the last five minutes of the first period D. McNeil of St. Francis occupied a place in the penalty box for three minutes for tripping. About fifteen minutes passed before T. McNeil slid the puck in past Hearts. The period ended with the score 7 to 1. In the third period considerable tripping was in evidence and at one time C. Chisholm and T. McNeil were penalized for three minutes. Mount Allison made a desperate attempt to score but were unable to do so. In the closing five minutes the blue and white rushed the Mount Allison nets and Hearts was bombarded with a fusillade of shots, but allowed only two to pass. The game ended with the score 7 to 1, but the disputed goal made the actual count 6 to 1. The line-up: Mount Allison St. Francis Xavier Goal Gregory Point J. McNeil Cover Point D. Chisholm Centre D. Acid Stomachs Are Dangerous. Common Sense Advice by a Distinguished Specialist. "Acid" stomachs are dangerous because acid irritates and inflames the delicate lining of the stomach, thus hindering and preventing the proper action of the stomach, and leading to probably nine-tenths of the cases of stomach trouble from which people suffer. Ordinary medicines and medicinal treatments are useless in such cases, for they leave the source of the trouble, the acid in the stomach, as dangerous as ever. The acid must be neutralized, and its formation inhibited by the use of a substance which not only neutralizes the acid, but also prevents the fermentation from which acidity is developed. Foods which ordinarily cause distress may be eaten with impunity if the meal is followed with a little bisulphated magnesia, which can be obtained from any druggist, and should always be kept handy.

TURF From New Brunswick. Bangor Commercial—Billy Cummings who came to this city from New Brunswick, about four months ago, for the purpose of taking a stable in this city has taken the McKinnon string of horses under his care and will soon begin regular work with the three. One of these horses is Miss Columbo, the bay mare a mark of 224 1-4. Others are the bay mare S. E. Todd, who has trained a mile in 2:22 and the three-year-old gelding Brother Todd. This last is one of the very promising three-year-olds, and this season the horse is expected to make two more tallies for his team. Another goal was made by D. McNeil a few seconds after the twenty minutes were up and as the players and referee did not hear the gong to cease playing, the goal was credited to the Antigonish team under protest. The period ended, 4 to 1. The second period was all hockey at the feet of all spectators applaud. The referee commenced to officiate firmly and T. McNeil of St. Francis occupied a place in the penalty box for three minutes for tripping. About fifteen minutes passed before T. McNeil slid the puck in past Hearts. The period ended with the score 7 to 1. In the third period considerable tripping was in evidence and at one time C. Chisholm and T. McNeil were penalized for three minutes. Mount Allison made a desperate attempt to score but were unable to do so. Jimmy Clabby vs. Young Ahearn, Charles White vs. Sam Robideau, Philadelphia. News of the Boxers. George Brown of the B.A.A. declares that the New England amateur boxing championships to be held in Mechanic's building on March 23, will be the equal of those held there by the B.A.A. a few months ago. "The spirit of by-gone days still lingers in Joe Choynski, who in his day was a game and clever heavyweight. Like many of the old-timers, he thinks he is still there so far as scrapping goes. The other day in Pittsburgh, Choynski refereed the McMahon and Carl Morris bout. It looked to Morris as if Choynski was playing favorites by permitting McMahon to do things in the bout that he would not let Morris do, and the latter made much about it. He evidently displeased Choynski. After the bout was over Choynski followed Morris to his dressing room and got into an argument. Choynski finally got a bit warm under the collar and told Morris that he could "lick him then and there." Morris' reply only served to make Choynski warmer and he started to take off his coat to begin action. Morris laughed at him instead of accepting the invitation for a battle. Leach Cross and Charley White have been signed by New York promoters to box on March 22. Tommy Murphy and Joe Mandot will probably meet in New Orleans on March 29. BASEBALL Death of Brocton Player. nahan today gave out the names of the players who will occupy the three positions in the Chicago Nationals' line-up, undecided at the opening of the training season. By Williams, a former Notre Dame player, will take Tommy Leach's place in centerfield; Polly McLarry, brought from Louisville succeeds Sweeney at second base, and Fisher will be the regular shortstop. The eight pitchers the Cubs will retain are: Cheney, Vaughn, Lavender, Humphries, Zabel, Pierce, Adams and Standers. Speaker at Hot Springs. Hot Springs, Ark., March 16—Tris Speaker, the Boston American's star outfielder, has joined Manager Bill Carrigan's squad here. Speaker is considerably overweight. He looks bigger and better than last season and this will mean much to the club. Ball Players' Salaries Outdone. Philadelphia, March 15—Kid Williams and Johnny Kilbane have it all over baseball players when it comes to making money. When these champions meet here on March 17 each will receive \$3000 as his share. Allowing that the fight goes the regular six rounds of three minutes each, each fighter will receive \$305.50 for every minute's work in the ring. Each round will net them \$916.67. C., N. Y., made what is said to be a new world's record in the fifty-yard hurdle race in Philadelphia on Saturday night at the annual meet of the Meadbrook Club.
